## **Summary :**

Today 'One Day Workshop on United Nations Road Safety Week Driver Awareness' was organized. Head of Dept. of ESH, Prof. J.M. Shah and Head of Dept. of Computer Engg. Prof. Dr. A.V. Karale felicitated the guest. Every year road crashes result in loss of lakhs of lives and serious injuries to crores of people. In India itself about eighty thousand people are killed in road crashes every year which is thirteen percent of the total fatality all over the world. Aim of this workshop is to provide road safety information for road users to encourage safer road user behaviour among current and prospective road users and reduce the number of people killed and injured on our roads every year. Today's guest speaker created awareness about road safety education. Sir and madam encouraged all the students to follow the traffic rules and wear helmets and seat belts while driving. Sir explained traffic signal and meaning of each color. Also students understood the importance of zebra crossing. Near about 140 students attended the event. All the students took a pledge to drive safely and to follow the traffic rules. At the end of session traffic rule pamphlets were distributed. The session concluded with vote of thanks.
