Aim :

The aim of this program is that students become self-confident individuals by mastering interpersonal skills.

Objective :

At the end of the soft skills development program, the students should be able to

1. Develop effective presentation skills.
2. Become self-confident by improving communication skill, public speaking skill, team management skills and leadership skills.
3. Maintain emotional maturity and emotional health.

Outcomes :

1. To become self confident.
2. To be emotionally mature.
3. To develop interpersonal skills

Summary Report of Program :

During the soft skill development program speaker covered introductory topics such that what are soft skills, what is the importance of soft skills, etc. The focus of the program was on improving the communication skills of the students in order to prepare them for job interviews. Various parameters like basic introduction, body language, positive attitude, interactive skills and the level of confidence were taken care of by the speaker. Also speaker focused to build self confidence, enhance self esteem and improve overall personality of the students. They were made aware on the importance of soft skills required to be a part of corporate structure. Numbers of fun activities were conducted during the session to engage the students to achieve the objective of the lecture. The program was conducted in two session. First session was conducted in seminar hall and second session was conducted in the first year classroom. The program was concluded with vote of thanks.
