- Students understood the importance and efforts that are put by teachers for proper education of students
- During the celebration of teachers day some of the repretative from students share their views and express gratitute to their teacher

Summary of Program:

There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers' Day in India is celebrated every year on September 5 to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan. He was a former President of India, scholar, philosopher and Bharat Ratna recipient.

On this day, as a sweet gesture of respect and love, students extend gifts to their teachers. They convey the importance of their mentors in life with words and speeches and with enactments. Teachers' Day is a great occasion for celebrating and enjoying the relationship between teachers and students.

The department of ESH celebrated teachers day very enthusiastically, all faculty members has participated in the celebratrion. In presence of Dean Admin & HOD of ESH Prof. J.M.Shah celebration is inaugurated, Prof. S.K.Ahire introduce the programe, Prof. S.G.Dhake explain the role of teachers in students life. Prof. S.B.Navle, Prof. A.A.Minde, Prof. K.D.Jadhav maintains the discipline during the session and Prof. V.P.Chitodkar gave the vote of thanks of the programe.
