Dear Madam,

I am writing this letter with great pride and bliss you to appreciate over the 2 days workshop on research methodology techniques and research funding agencies conducted for the students of E&TC Engineering. I am so delighted by your dedication to the work and your enthusiasm towards the session during COVID-19 also.

I take this opportunity to appreciate your technical skills and involvement. I hope you will continue to work with such enthusiasm and dedication in the future.

Thanks and Regards,
