Aim: The purpose of organizing a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp is to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation.

A Blood Donation camp was organized on campus on Wednesday, January, 2023 by the AI & DA Department. The camp took place in Mechanical Seminar Hall (D Building). The Chief guest was Principal sir. A motivating and positive vibe given by our Principal and HOD of AI & DS dept. to our students and volunteers which contributed a lot to our successful event. Our supporting partners were NAVJEEVAN BLOOD BLANK for the successful blood donation camp event. Today, India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and faculty members come forward voluntarily to donate blood. Blood donation can save the lives of innumerable persons. Donation of blood is very critical and crucial for saving the lives of many patients and those who have met with accidents. It is such a great service or contribution to the society and people living in it. A total of 76 people came forward, but only 64 were eligible to donate blood, 12 got rejected due to Blood pressure or hemoglobin issues. Tests were done to identify their eligibility, before actual donation, also helped all donors to know the status of their health, (above 45kg person eligible). All donors were treated with excellent care before and after donating. Refreshments were provided to all donors. Those donors who felt dizzy after the procedure, were taken care of immediately by the AI & DS Committee. It was a successful event that gave
