Name of Program: Seminar on Road Safety

Date: 2nd Feb 2023

Staff Coordinator: Prof. V. K. Barbudhe

Name of Student Coordinator : Khushi Mehata Ananya Sakhare Kartik Zope Nikhil Dengale

Sahil Shinde

Venue: Computer Department(C Building)

Aim: The aim of education, training and encouragement in Road Safety is to educate all road users in the proper and safe use of roads in order to change user attitudes and behavior and to stimulate an awareness of the need for improvement in road safety.

Objectives:

To provide road safety information for road users to encourage safer road user behavior among current and prospective road users and reduce the number of people killed and injured on our roads every year.

Outcomes:

The event provided solutions for existing substantial problems such as traffic jams, the number of accidents increasing and to reduce them.

Summary Report of Essential of Research Article Writing

Summary Report of Seminar on Road Safety Drive A Seminar on ‘Road Safety’ was organized for students of SITRC. The seminar was organized on the occasion of Assistant Motor Vehicle Inspector Mr. Sudhir Bagul and Ms. Punam Dalvi, Nashik region guided the students to create awareness regarding Road Safety. In all, 70 students were present for the seminar. In today's world road and transport has become an integral part of every human being. Everybody is a road user in one shape or the other. The present transport system has minimized the distances but it has on the other hand increased the life risk. Every year road crashes result in loss of lakhs of lives and serious injuries to cores of people. In India itself about eighty thousand people are killed in road crashes every year which is thirteen percent of the total fatality all over the world. Man behind the wheel plays an important role in most of the crashes. In most of the cases crashes occur either due to carelessness or due to lack of road safety awareness of the road user. Hence,
