Activity Report

Of

“Celebration of Mahatma Gandhi Birth Anniversary” Bhajan Competition

(02nd OCT 2023)

**Organized by
Department of Computer Engineering
Sandip Institute of Technology and Research
Centre**

Name of Program: Mahatma Gandhi Birth Anniversary -2023

(Bhajan Competition)

Date: 15 September 2023

Resource Person: Dr.Ankita Karale, HOD, Computer Dept

Event Coordinator: Prof.Pallavi Chaudhari(Asst. Professor)

Participants: SE, TE & BE Students (Computer Department)

Venue: Computer Department, Seminar Hall (C Building)

Aim:

To recognize and honor the achievements of the great Soul & Father of Nation, Mahatma Gandhi.

Objective:

1. Promoting Non-Violence and Truth
2. Educational Awareness
3. Inspiring Social Change
4. International Day of Non-Violence
5. Encouraging Acts of Service
6. Unity and Commemoration
7. Preservation of Heritage

Outcomes:

In summary, Mahatma Gandhi Jayanti has various outcomes, including honoring Gandhi's memory, promoting non-violence, educating people, inspiring positive change, fostering unity, and preserving cultural heritage. The day serves as a platform to reflect on the enduring impact of Gandhi's ideals and their continued relevance in addressing contemporary social and political issues.

Mahatma Gandhi Jayanti is a day when people in India and around the world commemorate the birthday of Mahatma Gandhi, one of the most influential figures in the history of India's struggle for independence. While it is not necessarily associated with bhajans (devotional songs) in the same way that religious festivals often are, Mahatma Gandhi had a deep connection with spiritual and devotional music, and his life was often intertwined with the singing of bhajans.

Dr. Ankita karale, HOD Computer addressed the students and advised them to take Mahatma Gandhi as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. He encouraged the students to broaden their perspective and enhance their skills to be successful engineer.

Prof. Pallavi Chaudhari, Academic coordinator urged the students to aim to be great engineers with technical skills as well as personal qualities.

Department of CSE organized a Bhajan competition at individual class level followed by group activity. Faculty coordinators played a major role in collection of Bhajan topics.

The program was attended by all the staff members of Computer Engineering department, student of Second year, Third year and final year Computer Engineering.

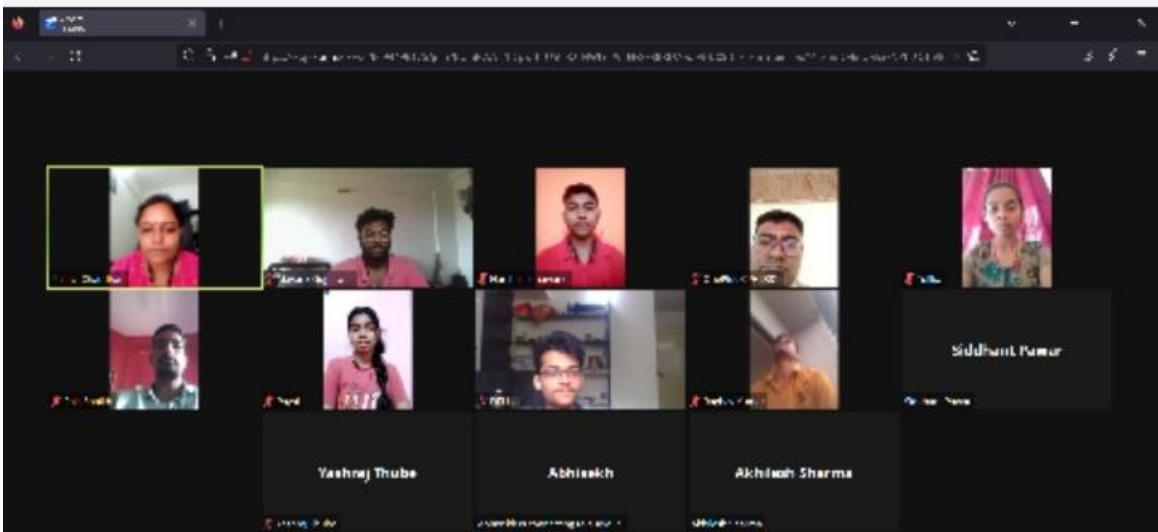

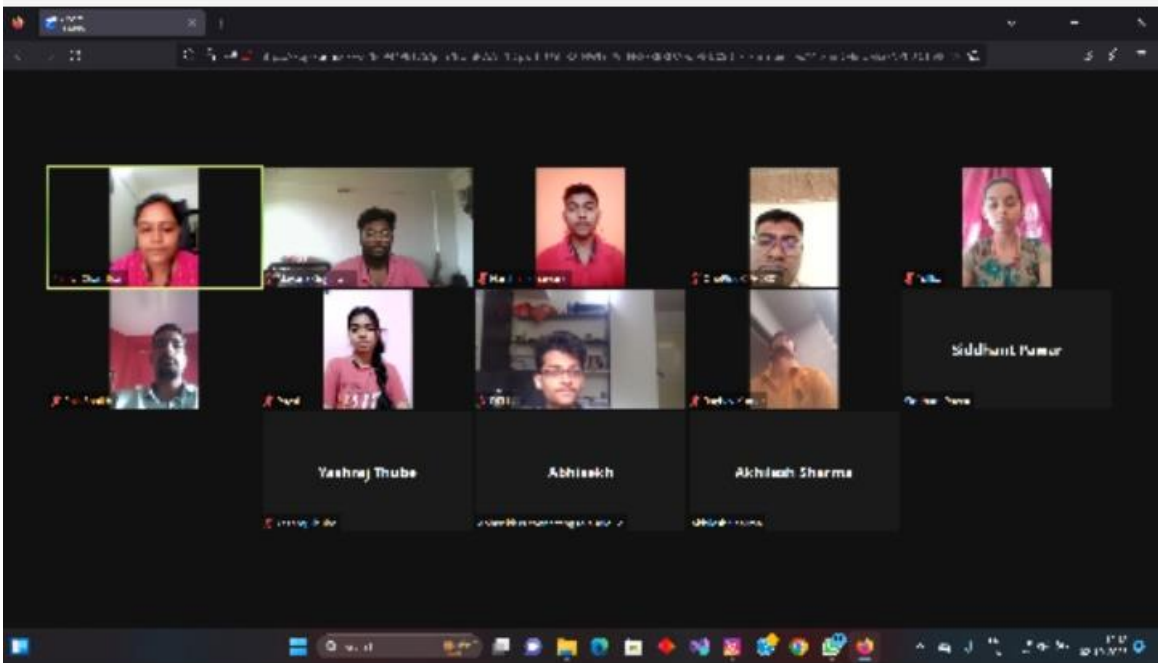

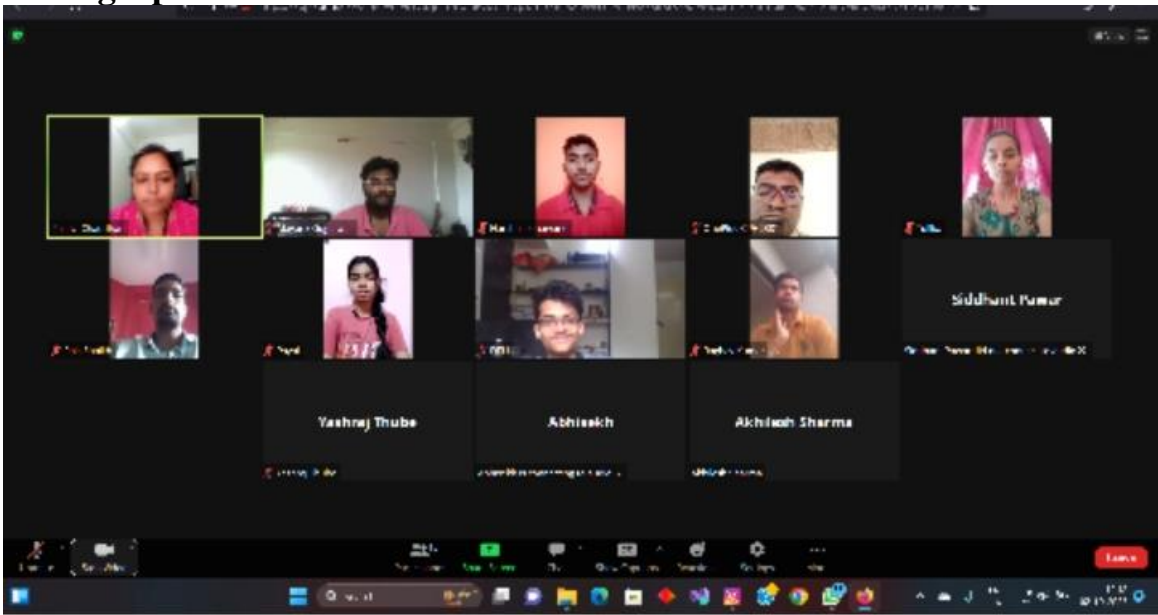

More than 100 students participated in this event. Students with the remarkable performances were awarded with attractive trophies & certificates.

The entire program was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.
