**Outcome:-** IEEE Day is an annual event celebrated on the first Tuesday in October, Celebration can be held between 25 September and 17 October . Sandip foundation students celebrated the IEEE day 2023 on 03 October 2023. In 1984,Engineers from all over the world and IEEE members assembled for the first time in history to exchange their technical ideas . Thousand of IEEE members in local areas gather together to collaborate on ideas that utilize technology for a better tomorrow as part of worldwide events. IEEE's core purpose is to foster technological Innovation and excellence for the benefit of humanity.

On 3<sup>rd</sup> October 2023 staff and students of SF IEEE Member gathered together and celebrated IEEE day. In which Dr. Gayatri M. Phade Branch Councilor of IEEE , SITRC , Nashik explain about IEEE that IEEE is the world's largest technical professional association dedicated to the advancement of technology for the greater good. Through highly recognized publications, conferences, technology standards, and professional and educational activities, IEEE and its members inspire a global community. She explains student's about the benefits of IEEE membership etc. A small cake cutting ceremony was arranged by students on occasion of IEEE day celebration.
