of

NEP Awareness Program

A.Y. 2023-24

SANDIP
FOUNDATION

Organized by ,

Sandip Foundation's
Department of Engineering Sciences and Humanities
Sandip Institute of Technology and Research Centre, Nashik (MS)
DTE Code: 5109

Date : 26th August 2023

Name of Program : NEP Awareness Program for First Year Students

Resource Person : Prof.(Dr.) A. S. Rumale, Professor, SITRC

Event Coordinator : Prof. K. D. Jadhav

Participants : F.Y.B.Tech students (ESH Department)

No. of Participants : 265

Venue : Seminar Hall

Aim :

The aim of the NEP Awareness Program for Students was

To provide information about New Education Policy 2020.

To inform and engage students about the key provisions and goals of the National Education Policy, fostering a deeper understanding of how it impacts their education and future prospects.

Objective :

1. To introduce students to the NEP and its significance.
2. To facilitate interactive discussions and workshops to clarify NEP concepts.
3. To provide age-appropriate educational materials.
4. To encourage active student participation in NEP-related discussions.
5. To gather student feedback and opinions on the NEP.
6. To offer career guidance and information on educational opportunities under the NEP.
7. To promote parent-student interaction regarding the NEP.
8. To celebrate student achievements under the new education policy.

Outcomes :

1. Students gained a clear understanding of the NEP's objectives and importance, recognizing its role in shaping their educational experiences.
2. Students were actively engaged in NEP discussions and activities, with many sharing insights and ideas on how the policy could better serve their needs.

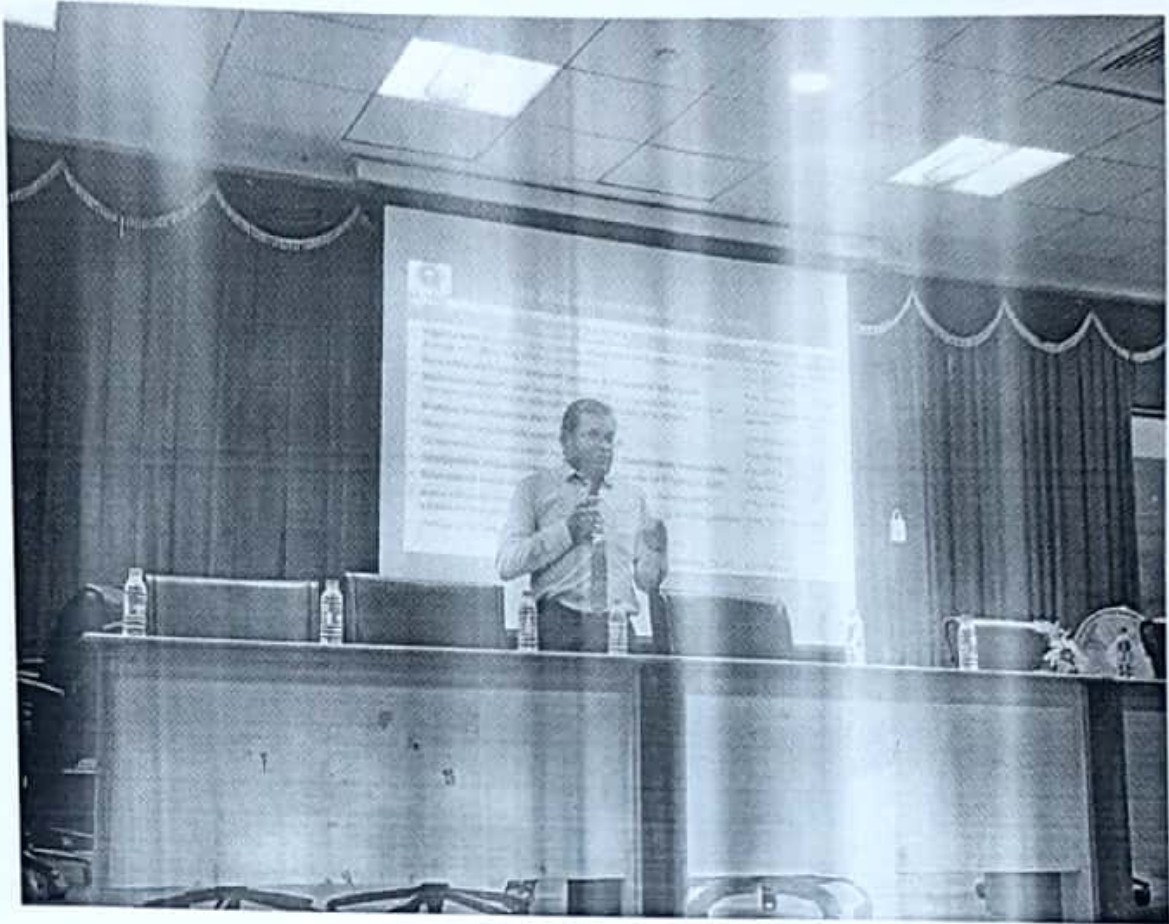

Summary of Program:

NEP Awareness program was conducted for First Year B. Tech students in two different sessions by Prof.(Dr.) A. S. Rumale, Professor, SITRC. First session was conducted on 22nd August 2023 from 10:00 am to 11:00 am in Computer Seminar hall, C building. For this session the beneficiary students were newly admitted students in the branch Mechanical, Automation & Robotics, Electronics & Telecommunication, Electrical, Civil. Second session was conducted on 26th August 2023 from 10:00 am to 11:00 am in Mechanical Seminar hall, D building. For this session the beneficiary students were newly admitted students in the branch IT, Computer, AI& DS. During the session speaker has highlighted many important facets of New Education Policy. He explained that the policy provides for reforms at all levels of education from school to higher education. NEP aims to increase the focus on strengthening teacher training, reforming the existing exam system, early childhood care and restructuring the regulatory framework of education. He also gave information about features, development goals, key areas of focus of NEP. The NEP Awareness Program for Students successfully achieved its aim and objectives by educating and engaging students in meaningful ways. Students gained a comprehensive understanding of the NEP and its implications on their education and future careers. They actively participated in discussions and many felt empowered to contribute their opinions and ideas. The program also fostered a sense of partnership between students and their parents, ensuring a supportive home environment for their educational journey. Additionally, career guidance and celebrations of student achievements motivated and inspired students to pursue their educational goals with enthusiasm. In conclusion, the NEP Awareness Program for Students played a vital role in creating informed and engaged young learners who are better equipped to navigate the evolving educational landscape shaped by the National Education Policy.
