Event Coordinator : Assistant Prof. Supriyatai K. Ahire

Participants : F.Y.B.Tech students (ESH Department)

No. of Participants : 180

Venue : Seminar Hall

Aim :

The primary aim of the Discipline is to create an environment where students are motivated to adhere to rules and regulations, leading to improved academic performance and overall personal development.

Objective :

- **Promote a Culture of Respect:** To cultivate respect for teachers, peers, and the learning environment..
- **Enhance Communication:** To improve communication between teachers, students, and parents regarding disciplinary matters.
- **Foster a Sense of Responsibility:** To encourage students to take responsibility for their actions and decisions.
- **Promote Conflict Resolution:** To teach students effective strategies for resolving conflicts peacefully.

Outcomes :

- **Positive Feedback from Teachers, Students, and Parents:** Feedback surveys revealed increased satisfaction among teachers, students, and parents regarding the improved disciplinary atmosphere within the institution.
- **Academic Performance Improvement:** With a more disciplined environment, students were able to focus better on their studies, leading to an overall

improvement in academic performance.

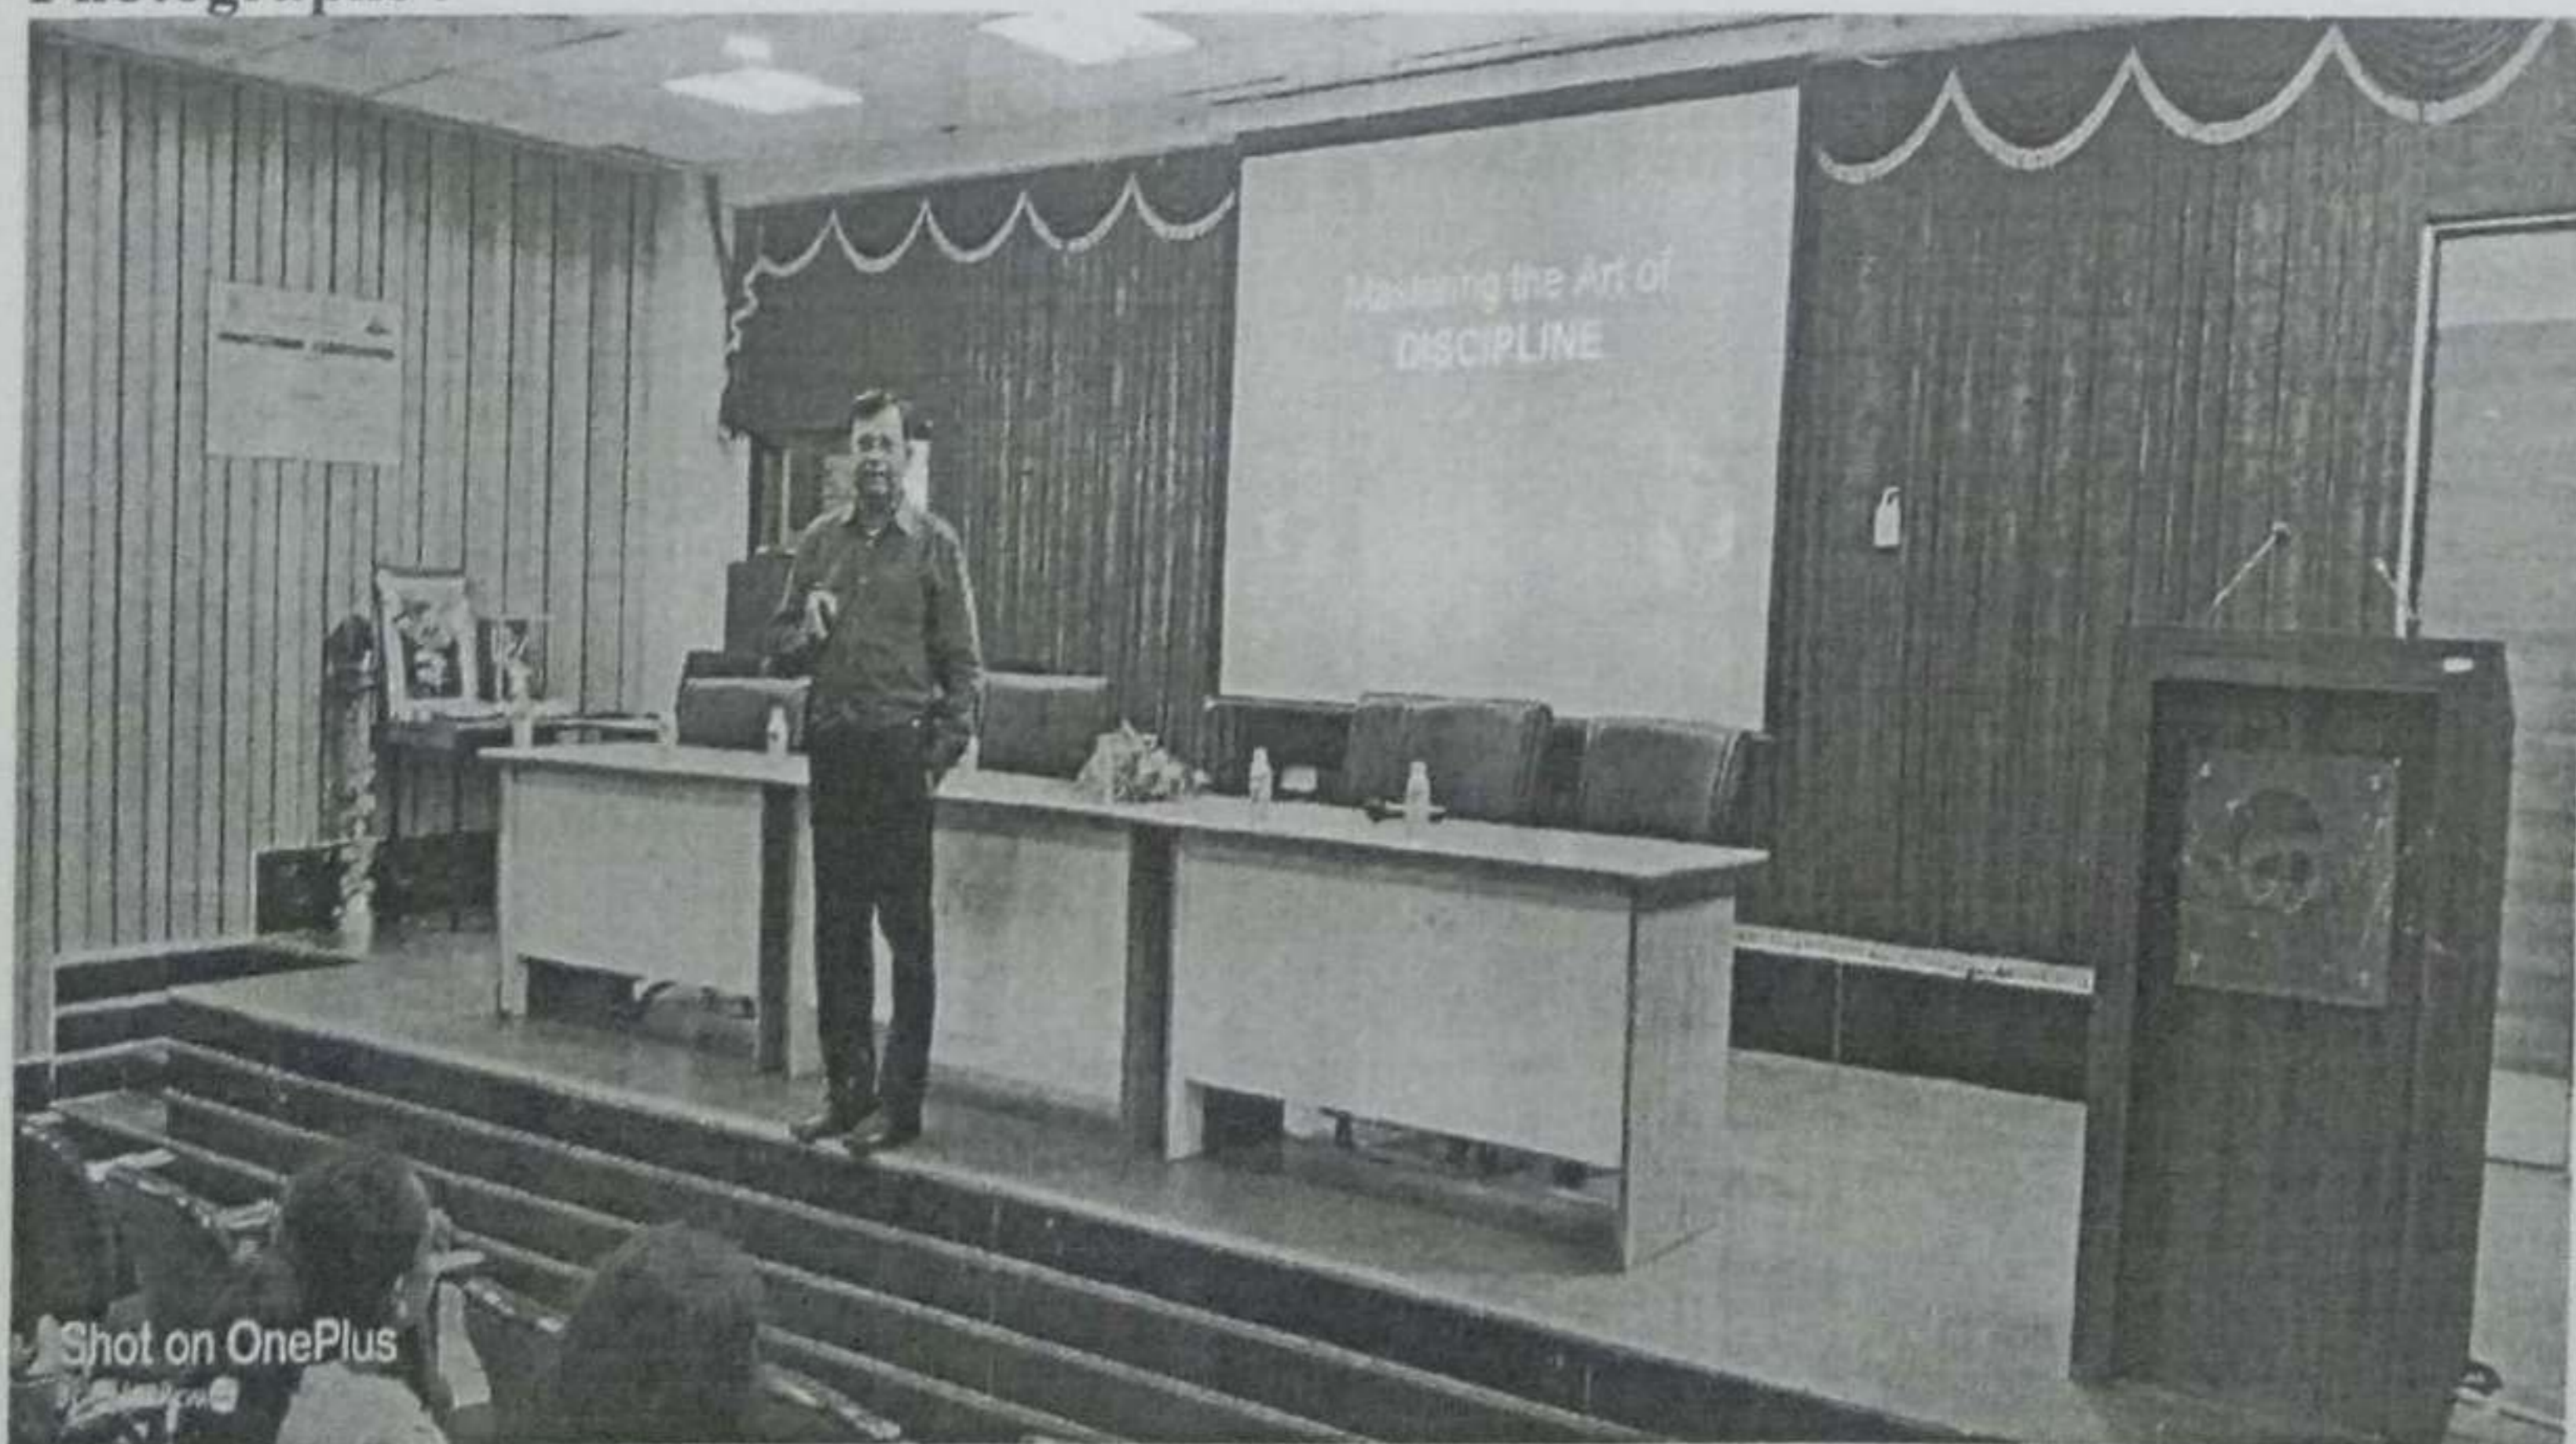

- **Reduction in Disciplinary Incidents:** The number of disciplinary incidents significantly decreased, indicating improved student behavior and adherence to rules.
- **Academic Performance Improvement:** With a more disciplined environment, students were able to focus better on their studies, leading to an overall improvement in academic performance.

After getting topics for debate instructor gave time limit for thinking, analyzing the topic. Total 5 topics are given to students

The Discipline Improvement Initiative at SITRC successfully achieved its objectives, creating a positive and disciplined learning environment. By fostering a culture of respect, responsibility, and accountability, the initiative not only improved discipline but also contributed to academic excellence and personal growth among students. Continued efforts and collaboration between teachers, students, and parents are essential to sustaining and further enhancing this positive change in the SITRC culture
