**Title:** Session Report on "World's Entrepreneur's Day"

**Introduction:**

Sandip Institute of Technology & Research Centre, Nashik, is committed to fostering innovation, creativity, and a spirit of entrepreneurship among its students. In line with this mission, the institute organized an Expert Lecture on "Entrepreneurship Development Program" to empower its students with the knowledge and skills required to become successful entrepreneurs.

**Objective:** The primary objective of the expert lecture was to inspire, educate, and motivate students to explore entrepreneurial opportunities and equip them with the tools and resources necessary to start and sustain their ventures.

**Program Highlights:** The Entrepreneurship Development Program lecture was a comprehensive and engaging event that included the following key components:

**1. Inaugural Session:**

- **Welcome Address:** The event began with a warm welcome from the institute's faculty and administrators.
- **Keynote Address:** An esteemed expert in the field of entrepreneurship delivered a keynote address, emphasizing the importance of entrepreneurship in today's world.

**2. Expert Talks**

- The lecture featured renowned entrepreneurs and industry experts who shared their personal experiences, success stories, and insights into entrepreneurship.
- Topics covered included idea generation, market analysis, business planning, funding, and scaling up.

**3. Interactive Workshops:**

Students had the opportunity to participate in interactive workshops where they learned practical skills such as business model canvas development, pitch presentation, and problem-solving.

**4. Panel Discussion:**

A panel of successful entrepreneurs engaged in a discussion on the challenges and opportunities in the entrepreneurial journey.

Students had the chance to ask questions and gain valuable insights.
