## Summary of Program:

The session on Placement activity was conducted for First Year B. Tech students on 23<sup>rd</sup> August 2023 and 25<sup>th</sup> August 2023 in two different sessions by Prof. Amit V. Manapure

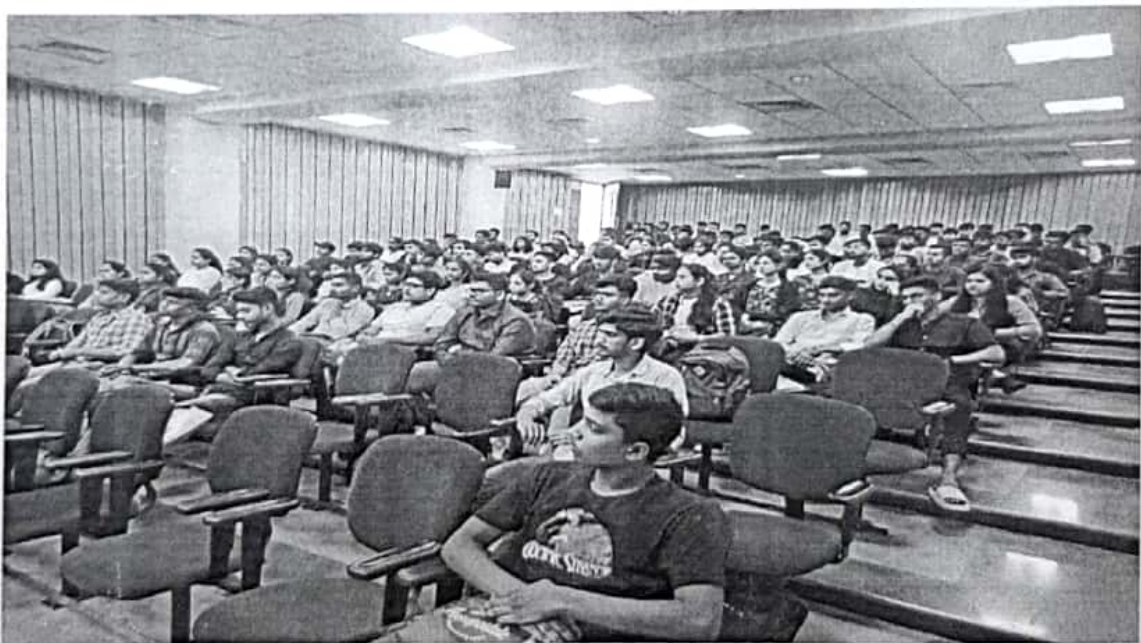

, TPO, Sundip Foundation and SandipUniversity. First session was conducted from 1:00 pm to 3:00 pm in Mechanical Seminar hall, D building. For this session the beneficiary students were newly admitted students in the branch IT, Computer, AI& DS. Second session was conducted from 1:00 pm to 3:00 pm in Computer Seminar hall, C building. For this session the beneficiary students were newly admitted students in the branch Mechanical, Automation & Robotics, Electronics & Telecommunication, Electrical, Civil. During the session speaker has highlighted many important facets of placement activity. Speakers explained the concept and process of placement cell step by step with the help of PPT. students enthusiastically participated in the session. Students also shared their views. Students enjoyed the session and got inspired about placement cell. Speakers also explained that placements give students an important direction to move forward in life and It helps the candidate to work as per the predetermined objectives of the organization, just after graduation can be difficult for students without work experience. That is why we stress the importance of work placements for students. Seminar was inaugurated by Dr. M. M. Patil Sir in the presence of HOD of Engineering Science and Humanities and faculty members of Sandip Institute of Technology and Research Centre, Nashik
