About Project “Meri Mati Mera Desh Programme”

The 'Meri Maati Mera Desh' campaign is a part of the larger 'Azadi Ka Amrit Mahotsav' initiative launched by the Centre earlier this year to commemorate 75 years of India's independence. The initiative aims to showcase India's progress and potential in various fields, as well as to inspire and empower the youth to contribute towards nation-building. It envisions a unified celebration of India's soil and valour, commemorating the nation's journey of freedom and progress. By connecting with the land and honoring our heroes, this program will instill a sense of national pride and inspire future generations to protect India's cherished heritage.

The 'Meri Maati Mera Desh' campaign is a tribute to the heroes who have sacrificed their lives for the nation and a message to the citizens to cherish and protect their land and environment. It is also a way of instilling a sense of patriotism and responsibility among the people and strengthening their bond with their country.
