**Report on Celebration of Teacher's Day (5<sup>th</sup> Septembers 2019)**

**Name of Event:** Celebration of Teacher's Day (5<sup>th</sup> Septembers 2019)

**Department:** Civil Engineering Department

**College:** Sandip Foundation's Sandip Institute of Technology and Research Centre, Nashik.

**Purpose:** Teacher's day is one of event that is look up by students and the teachers in a similar way on this juncture it is the teacher who are praised. On this day students comprehend how important is the role of teachers in society and in student's life. *Women's and Female contributions were also remembered and encouraged their equal importance. More than 40% of gathered attendee were female.*

**Beneficiaries:** All the students of SITRC Civil Engineering.

**Present Activity:** Teachers' Day in India is celebrated on 5th September to commemorate the birth anniversary of **Dr. Sarvepalli Radhakrishnan**. He was a renowned scholar, recipient of Bharat Ratna, first Vice- President and second President of independent India. He was born on 5 September, 1888. As an educationist, he was an advocate of edification, and was a distinguished envoy, academician, and above all a great teacher.

Teachers' Day is one such event for which students and teachers equally look forward to. Teachers' Day is important for the students as it gives them a chance to understand the efforts put in by their teachers to ensure that they get proper education. Similarly, teachers also look forward to Teachers' Day celebration as their efforts get recognized and honored by students and other agencies as well. Even according to our **Prime Minister Narendra Modi** "Teaching is not a profession, a way of life". Further, he added that teaching is not a profession but "**Jeevan Dharm**" (a way of life) and asked teachers to understand changes happening across the world so that they can prepare the new generation to face them. In fact, it is a divine responsibility to guide and enlighten. He also said that India should regain the status of '**Vishwaguru**' (leader in education) by giving high respect to teachers whom he asked to encourage students to think critically about issues concerning nation.

On the Teachers' Day, students hold different activities to entertain teachers at event. These activities include singing competition, dance competition, recitation of poems, mimicry of teachers and lots of games with teachers, offer gifts and at last they thank teachers by

expressing their gratitude.

**Dignitaries Present:** Honorable HOD of SITRC of Civil **Prof. J. G Nayak**, CESA coordinator **Prof. V. A. Kuwar**, CESA President **Mr. Rushikesh Darade** and All Faculty members of Civil Engineering Departments have inaugurated the event and gave their best wishes to the students for the event.

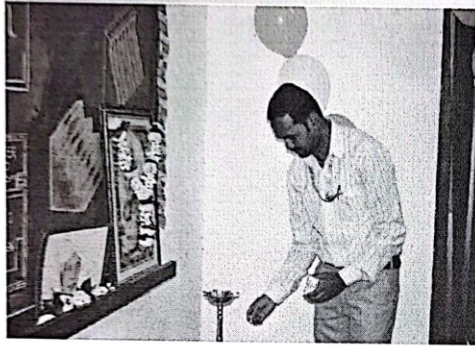

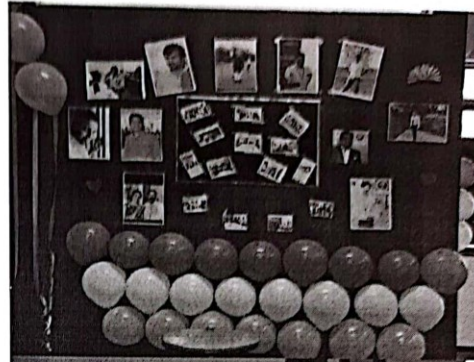

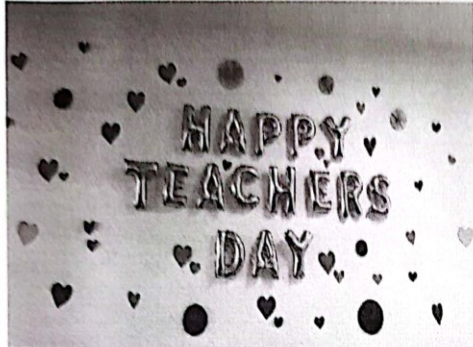

**Some Visual Glimpses:**

**Conclusion:** The Event was very intuitive. All the activity conducted by student for teachers is very enthusiastic, energetic, sophisticated and great deal of worldly experience.
