MEMORANDUM OF UNDERSTANDING

ENTERED INTO ON 26TH DAY OF MAY 2016

BETWEEN

MASS

(THE MALAYSIAN SOLID STATE SCIENCE & TECHNOLOGY SOCIETY)

UNIVERSITY OF PUTRA MALAYSIA

AND

SANDIP FOUNDATION

NASHIK, INDIA.

To promote research interaction and co-operation.

“Sandip” is a Sanskrit word that means “pure flame”. With this pure flame of education, we aim to bring in the light of knowledge to the entire humanity and remove the darkness of ignorance. Sandip Foundation Nashik is having, Engineering, Management, Pharmacy, and Polytechnic Studies have helped shape many successful careers. Our colleges are among the best colleges in Maharashtra, India and the prestigious affiliations with the AICTE, and the Pune University bear testimony to this fact. With our education system that matches global standards, we endeavor to give a rewarding and fulfilling experience to our students. The best education leads to all-round development of an individual.

We are hereby proposing the areas of collaboration and common points of consideration of an MOU which we wish to have with MASS, Malaysia. The purpose of MOU is to carry out mutually beneficial activities in the frontline research areas of Science and Engineering & Technology. During the period of MOU, both the institutes/ organizations would cooperate and collaborate with each other in the identified areas of mutual interest for mutual development as detailed under-

Areas of collaboration/interaction-

On its part, the Institute/Organization shall consider and try, to the extent possible-

1. To share knowledge and expertise of the Researchers, students, faculties and other members of both the organizations on case to case basis with mutual consent providing throughout the year.
2. To provide resource persons for Guest lecture/ workshops etc at the students & Faculty development programs and research assignments of mutual interest.
3. To grant permission for visits of faculty members and the students to the Institute/Organization and to allow faculty & student exchange program as per mutually convenient dates and schedule.
4. To offer testing and other technical facilities available with the institute/organization if required by the members of institute/organization.
5. To offer technical consultancy/ training as per the need of both organization.
6. To offer the library/infrastructure/other amenities/facility of the institute to the company/organization personnel if required by the company/organization as per a procedure which is mutually evolved.

Common points of consideration-

1. The MOU does not imply any kind of financial obligation, unless agreed upon in writing, on either side and neither party can claim for any financial charges.
2. The association and activities carried out through the MOU should never be considered as an employment opportunity in any course of time by any individual concerned.
3. The MOU does not bind or compel either party to provide for the above mentioned favors to the other party and rather aims to build and foster a spirit of Collaboration for the mutual benefit while protecting the individual and mutual interests.
4. The MOU shall be effective from the date of signing/ approval through official mail and either party can terminate this arrangement by a simple written communication by a competent authority at any point of time.
5. Neither party shall be liable for any indirect, punitive, special, incidental or consequential damages arising out of or in connection with this understanding, whether for breach of this MOU or in torts, including loss of business, data, revenue and profits or for any third party claims against the other whatsoever.

IN WITNESS WHEREOFF the parties hereto have executed this understanding on the day and date as below.
