Visit of Delegates from Synergy University Moscow of Russia at Sandip Foundation, Nashik

Dr. Dipak Patil discussed with the delegates the overall administration process of Sandip Foundation Nashik. The Dean of International Affairs emphasized exploring the possibility of motivating our students to go to Synergy University Moscow Russia to pursue their Master's degree and also the possibility of a Summer School fellowship. Delegates from Synergy University also held bilateral meetings with Deans and heads of various schools and departments and insisted on research collaboration for exploring joint research and Ph.D. programs and invited them to visit Synergy University.
