- **Outcomes of Activity:** 60 Blood bags collection from the blood donation camp

**8. Description of Event:**

The National Service Scheme (NSS) organized a Blood Donation Camp on 15<sup>th</sup> September 2023 i.e. on the occasion of Engineers Day. The primary objective of this camp was to collect voluntary blood donations to support local hospitals and save lives. Principal of SITRC Dr M M Patil Inaugurated the event and felicitated the representative from Navjeevan Blood Bank. Deans of the Institute along with HOD, Staff, students were present for the inauguration. On the day of the Blood Donation Camp, the following activities took place:

1. **Registration:** Donors were registered, and their eligibility was checked based on age, weight, and health status.
2. **Medical Checkup:** Each donor underwent a brief medical examination to ensure they were fit to donate blood safely.
3. **Donation:** Those who passed the medical examination proceeded to the donation area, where they generously donated their blood.
4. **Refreshments:** After donating, donors were provided with refreshments and observed for a short period to ensure their well-being.

Total 60 blood bags were collected at the end of blood donation camp.
