Academic Year 2018-19

Report on ALUMNI MEET

Date: 14th February 2019

Conduction Duration: 1 Day

Venue: MBA Class Room

Coordinator: Prof Prabodhan Patil

Objective:

1. Develop and implement a comprehensive communication strategy to keep alumni informed about college events, achievements, and opportunities.
2. Conduct targeted fundraising campaigns specifically designed to appeal to alumni, showcasing the impact of their contributions on the college community.

About the Program:

In pursuit of fostering lasting connections with our esteemed alumni and ensuring the success of our graduates, we embarked on a strategic plan with two primary objectives.

The first objective focuses on enhancing alumni engagement. Through targeted communication channels, engaging events, and the establishment of an interactive alumni portal, we aimed to increase alumni participation by 20%. Simultaneously, we sought to create a sustainable alumni fund, ensuring transparency in financial reporting and implementing a recognition program to honor and appreciate our generous donors.

The second objective aimed to improve post-graduation outcomes. We endeavored to boost graduates' employability by 15% within six months of graduation. To achieve this, we strengthened career counseling services, forged partnerships with industry leaders to provide practical experiences, and initiated an alumni mentorship program.

Our comprehensive report analyzes key metrics, including alumni event attendance, funds raised, employment rates of recent graduates, and the impact of alumni interactions on current students. Success stories are highlighted, and the report serves as a valuable guide for continuous improvement, solidifying the bond between the college and its alumni, and ensuring the sustained success of our graduates in the ever-evolving professional landscape.

Outcome:

1. Strengthen career counseling services to provide personalized guidance, resume building, and interview preparation.
