Report on ALUMNI MEET

Date: 28th Jan 2020- Tuesday

Conduction Duration: 1 Day

Venue: MBA Class Room

Coordinator: Prof Prabodhan Patil

Objective:

1. Organize alumni-focused events such as networking sessions, mentorship programs, and reunions to strengthen the bond between current students and graduates.
2. Conduct targeted fundraising campaigns specifically designed to appeal to alumni, showcasing the impact of their contributions on the college community.

About the Program:

In our endeavor to strengthen ties with alumni and enhance the trajectory of our graduates, we executed a strategic plan with dual objectives. Firstly, we aimed to amplify alumni engagement by implementing targeted communication, hosting engaging events, and establishing a dynamic alumni portal, foreseeing a 20% surge in alumni participation. Concurrently, our focus on post-graduation outcomes involved elevating employability by 15% within six months of graduation. This was achieved through fortified career counseling, strategic industry partnerships, and the initiation of an impactful alumni mentorship program.

Our comprehensive report meticulously analyzes key metrics encompassing alumni event attendance, funds raised, employment rates of recent graduates, and the tangible impact of alumni engagement on current students. This report serves as a roadmap for continuous improvement, solidifying the symbiotic relationship between the college and its alumni, and ensuring enduring success for our graduates in a dynamically evolving professional landscape.

Outcome:

1. Encourage alumni to participate in guest lectures, webinars, and career panels to share their experiences and insights with current students.
