Report on ALUMNI MEET

Date: 11ᵗʰ May 2022

Conduction Duration: 1 Day

Venue: MBA Classroom

Coordinator: Prof Prabodhan Patil

Objective:

1. *Facilitate regular networking events to foster meaningful connections between alumni mentors and current students.*

About the Program:

In the aftermath of the COVID-19 pandemic, our institution successfully orchestrated a vibrant in-person alumni meet, marking a return to the traditional format after a period of virtual events. The primary goal was to rejuvenate the alumni community, rekindling personal connections and strengthening the ties that define our institution.

The event, held in compliance with prevailing health and safety protocols, witnessed enthusiastic participation from alumni spanning various graduating years. Activities included nostalgic campus tours, engaging panel discussions, and a gala dinner. The meet provided a valuable opportunity for alumni to share their post-pandemic experiences, fostering a sense of unity and resilience.

The success of the post-COVID alumni meet underscores the enduring spirit of our alumni network. It serves as a testament to the significance of physical gatherings in rekindling the camaraderie that defines our institution, paving the way for future in-person events that celebrate the enduring bond among our alumni.

Outcome:

1. A significant outcome of the increased fundraising participation is the establishment of an alumni-endowed scholarship, providing financial support to deserving students. This scholarship not only exemplifies the impact of alumni contributions but also creates a lasting legacy that benefits future generations of students at the college.
