**Report on Alumni Meet 2k19**

Electrical Engineering Department of SITRC hosted an annual Alumni Meet on 9<sup>th</sup> March 2019, bringing together a diverse group of accomplished graduates from various batches. The event was organized with the aim of fostering stronger connections among alumni, providing a platform for networking, and celebrating the achievements of former students.

The Alumni Meet took place at the college campus, utilizing the seminar hall and outdoor spaces for different activities. The venue was decorated with banners, memorabilia, and photographs showcasing the college's evolution over the years. Registration counters were set up to welcome alumni, providing them with event badges, information packets, and tokens of appreciation.

An outstanding number of graduates from all years and disciplines attended this event. Professionals from a number of industries, entrepreneurs, researchers, and leaders in their respective disciplines made up the multifaceted group. In order to foster conversations and gain insight from the experiences of the alumni, the college administration, teachers, and current students were also in attendance.
