Academic Year 2020-21

Report on Alumni Meet-2k21

The Annual Alumni Meet of Electrical Engineering Department was held on 25/02/2021 in online mode with the primary aim of fostering a sense of community among the graduates and providing a platform for networking, knowledge sharing, and rekindling memories of their alma mater. The event was organized by the Alumni Relations Committee in collaboration with the college administration.

Details of Events: Alumni Meet 2k21

Event Date: 25th Feb 2021

Online Link: (<https://meet.google.com/vbt-kjyt-yer>)

Venue Duration: 1:00PM-2:00PM

Event Coordinator: Prof. Gopal Akotkar

Alumni Student Ambassador: Mr. Laxman Wani and Ms Prajakta Patil

Total Alumni Participated: 38

Objective of Meet:

The overarching goal of the Alumni Meet was to strengthen the bond between the alumni and the college, creating a vibrant network that benefits both the graduates and the current students. The event aimed to:

1. **Foster a sense of community:** Bring together alumni from different batches and provide a platform for them to reconnect with each other and the college.
2. **Facilitate networking:** Create opportunities for alumni to network with each other, exchange professional experiences, and explore potential collaborations.

Sandip Foundation's

Sandip Institute of Technology and Research Centre, Nashik,

3. **Knowledge sharing:** Encourage alumni to share their industry insights, experiences, and expertise with current students, providing valuable guidance and career advice.
4. **Showcase achievements:** Recognize and celebrate the accomplishments of alumni in various fields, inspiring current students and fostering a sense of pride in their alma mater.

Conclusion: The Alumni Meet-2k21 proved to be a remarkable success in achieving its objectives. The event not only strengthened the bond between the college and its alumni but also facilitated meaningful interactions between the past and present members of the institution. The knowledge shared, connections made, and memories created during this event will undoubtedly contribute to the continued success and growth of the department as well as institute.
