2. To provide a good and strong bridge for the students, faculty and the institute for mutual benefit and synergy

Outcomes of Activity:

1. Alumni Meet, creates a special bonding between the students who have passed out & who have established themselves already in the big, outside world.
2. The meet also creates a platform to identify the colleges most distinguished Alumni.

8. Event Details & Photos

Alumni Meet-24 organized by Mechanical Engineering Department of Sandip Institute of Technology and Research Centre on 24th February 2024 at Seminar hall of Mechanical Engineering Department. This meet ensures to build the alumni community into a strong and vibrant association every year. Creating a bond between the alumni and current students and faculty. The event commenced with the inauguration witnessing the participation of alumni from various parts of the India.

Alumni Meet, creates a special bonding between the students who have passed out & who have established themselves already in the big, outside world. During the meet, the alumni shared their experience in the outside world, which they faced after stepping out of the institution with our students. After the interaction with students, they volunteered themselves to help the fellow students regarding Internships, Placements, Guest lecturers & Workshops.

The meet also creates a platform to identify the college's most distinguished alumni. Under the direction of Prof. (Dr.) S. G. Ghalme, Head of the Mechanical Department, Dr. J. N. Yadav, Assistant Professor in the Mechanical Engineering Department, oversaw this effort. This Alumni Meet-24 taken at Mechanical Seminar hall on 24th Feb.2024 from morning 10:00AM to 04:00PM.
