Description of Event:

The Department of Computer Engineering organized Parents meet on 03rd February 2024 Saturday, on 11.00am .The main objective of this meeting is teachers can interact with the gathered parents, and share his or her progress with them and also discuss about their attentiveness in classroom with students test result.

Introducing the college via a PowerPoint, Dr. Ankita Karale spoke to the assembled parents. This PowerPoint is meant to inform parents about the different amenities that colleges offer and how an accepted student can use those resources to further themselves both academically and personally throughout their time there. She also discussed the several career options open to SE TE and BE students upon completion of their engineering education. Following this session, parents in attendance spoke with the class instructor about their child.
