8. Event Details & Photos

The Value Added Program organized by Mechanical Engineering Department of Sandip institute of technology and research centre on "Skill development" for SE Mechanical students from 29th Jan to 3rd Feb.2024.

The program's primary goal was to ensure overall development of students and scholars with the help and support of appropriate skilling mechanisms/methods and to prepare the students to plan their career in the directions of entrepreneurship, career advancement, and higher skill employability. Under the direction of Prof. (Dr.) S. G. Ghalme, Head of the Mechanical Department, Mr. J. N. Yadav, Assistant Professor in the Mechanical Engineering Department, oversaw this effort.

Based on the student's professional needs and current market trends, this value added program was specifically created. It also took into consideration the most recent Skill Developments course content and syllabus. Additionally, the value added program aids in their employment in multinational corporations and the achievement of their professional goals.

This value added program taken at Mechanical Seminar hall and in classrooms at Mechanical Department of SITRC in month of Jan and feb.2024 from morning 10:00AM to 05:00PM in working day which covers 36 hrs.
