Event Title: Report on “Apex Showdown (National Level technical Festival)”

Date: 18th April to 19th April 2024.

Event Conduction Duration: 02 Days

Event Venue: Computer Engineering Department, Seminar Hall C-Building, SITRC

Event coordinator: Prof. Ashish Jagneet

Event Participants: Students from various colleges.

Aim: To provide a suitable platform for overall development of students. Development of Presentation skills, reading habits, research abilities, confidence, technical writing, technical skills and self-learning awareness among the students.

Objective:

The objective of the symposium was to bring the students of various streams from different institutes on a common platform where they were encouraged to share knowledge and innovative ideas. It also aimed to exhibit the talents and skills of the aspiring Engineers both in Technical and Non-technical ways.

Outcomes:

The event provided solutions for existing substantial problems such as digitization, technical issues, electricity issues, and other alarming concerns. These technical events guided engineering students, computer engineers, researchers to dream bigger and achieve them.

Description of Event:

“Apex Showdown (National Level technical Festival)” is a national level technical and cultural fest being hosted by the Computer Engineering Students Association, SITRC, Sandip Foundation, Nashik, on the 18th and 19th April, 2024.

Apex Showdown will be host to a plethora of technical events including Nasik’s first National Level CODE A THON, Blind Coding, Project Competition. The winners of the Apex Showdown will be awarded with cash prizes worth up to Rs.1, 50,000/- Each participant will also be offered a participation certificate.

Plenty other Non-technical competitions including BGMI, Arm Wrestling, blind coding, chess, carom, quiz , cultural, box cricket, volley ball, tug of war, treasure hunt and many more will be a part of this fun filled mega event where each participant will be awarded with a national level participation certificate.
