

Faculty Name: Prof. T. Naga Seshu Babu

Designation : Assistant Professor

Mail ID : naga.tummala@sitrc.org

BIO

I **Prof. T.Naga Seshu Babu** an Assistant Professor in the Civil Engineering department of SITRC, Nasik, India. I have completed Masters of Technology with specialization in Civil Engineering. My research interest is in Pavement Materials. This includes knowledge of Advanced pavement materials, Modified binders, advanced asphalt mix, etc.

Qualification:

- M. Tech (Transportation Engineering and Planning)
- B. Tech (Civil Engineering)

Experience:

- Teaching experience: 11 years

Subjects:

- Transportation Engineering-I
- Transportation Engineering-II,
- Traffic Engineering
- Urban Transportation systems planning.
- Advanced pavement design
- Highway Engineering-I
- Highway Engineering –III
- Project Estimation and Contracts
- Water Resources Engineering-I
- Water Resources Engineering-II
- Soil Mechanics-I
- Surveying and Geomatics
- Repair and Rehabilitation of structures.
- Environmental Pollution and Control methods
- Solid and Hazardous waste management
