Report for Expert lecture on “How to write Research paper”

Sandip Institute of Technology & Research Centre, Nashik

Date: 28-02-2020

Name of speaker: Dr. Lina Patil

Participants: 55

Objectives:

- 1) To provide students with valuable insights and guidance on the process of crafting an effective research paper.
- 2) To make students aware the key elements, structure, and best practices for producing high-quality research papers.

Outcomes:

- 1) Students will be able to select a well-defined research topic is crucial to the success of your paper.
- 2) Students will be able to conduct a thorough literature review helps in identifying gaps and justifying your research.
- 3) Students will be able to structure the paper ensures clarity and flow of information.

Session Agenda:

1. Introduction to Research Papers

- Defining a research paper
- Importance of research papers in academia

2. Choosing a Research Topic

- Criteria for selecting a research topic
- Narrowing down research questions

3. Conducting Literature Review

- Searching for relevant sources
- Evaluating and citing credible references

4. Research Methodology

- Selecting research methods
- Data collection and analysis techniques

5. Structuring a Research Paper

- Title, abstract, and keywords
- Introduction, methodology, results, discussion, conclusion, and references
