FOUNDATION

Activity Report of Meri Mati Mera Desh

A.Y. 2023-24

(An autonomous institute permanently affiliated to Savitribai Phule Pune University, Pune)

Organized By

Sandip Foundation's

Department of Engineering Sciences and Humanities

Sandip Institute of Technology and Research Centre, Nashik

Date : 6th October2023

Name of Program : "Meri Mati Mera Desh"

Event Coordinator : Assistant Prof. V.P.Chitodkar

Participants : F.Y.B.Tech students (ESH Department)

No. of Participants : 274

Aim : The aim of the event " Mer Mati Mera Desh" is to foster a deep connection between the participants and their homeland while promoting environmental sustainability.

Objective :

- Raise awareness about environmental issues such as pollution, deforestation, and waste management.
- Educate participants about sustainable practices and their role in preserving the environment for future generations.
- To Develop Civic Responsibility

Outcomes :

- Heightened awareness among participants about environmental issues, leading to changes in their behavior, such as reduced plastic usage and increased recycling efforts.
- The initiative's holistic approach created a lasting impact on the participants, inspiring them to continue their involvement in civic and environmental activities even after the official program concluded.
- Participants developed various skills such as teamwork, leadership, and communication through their active involvement in workshops, competitions, and community projects.
- The initiative's holistic approach created a lasting impact on the participants, inspiring them to continue their involvement in civic and environmental activities even after the official program concluded.

Summary of Program:

As we reflect on the "Meri Mati Mera Desh" initiative, it serves as a beacon of hope and a model for future community-driven programs. By nurturing a sense of love for one's country, respect for the environment, and active participation in community development, initiatives like these pave the way for a more harmonious society, where individuals are not just beneficiaries but active contributors to the betterment of their nation and the world at large
