Activity Report of Science Day (Online Quiz Competition) A.Y. 2023-24

SANDIP
FOUNDATION

(An autonomous institute permanently affiliated to SavitribaiPhule Pune University, Pune)

Organized by ,

Sandip Foundation's

Department of Engineering Sciences and Humanities Sandip Institute
of Technology and Research Centre, Nashik (MS)

DTE Code: 5109

Date : 28th February 2024

Name of Event : Celebration of Science Day- 2024

Event Coordinator: Assistant Prof. Swapnil Dhake, Assistant Prof. Atul Minde

Participants: F.Y.B.Tech students (ESH Department)

No. of Participants: 130

Aim: To foster scientific curiosity and engagement among students. The online quiz served as a platform to celebrate the spirit of scientific inquiry and promote interdisciplinary learning.

Objective:

- To commemorate Science Day and its significance in advancing human knowledge and innovation.
- To encourage active participation from students and faculty members across different disciplines within the department.
- To promote awareness and appreciation of various scientific concepts and discoveries.
- To provide an interactive and engaging platform for learning and intellectual exchange.

Outcomes:

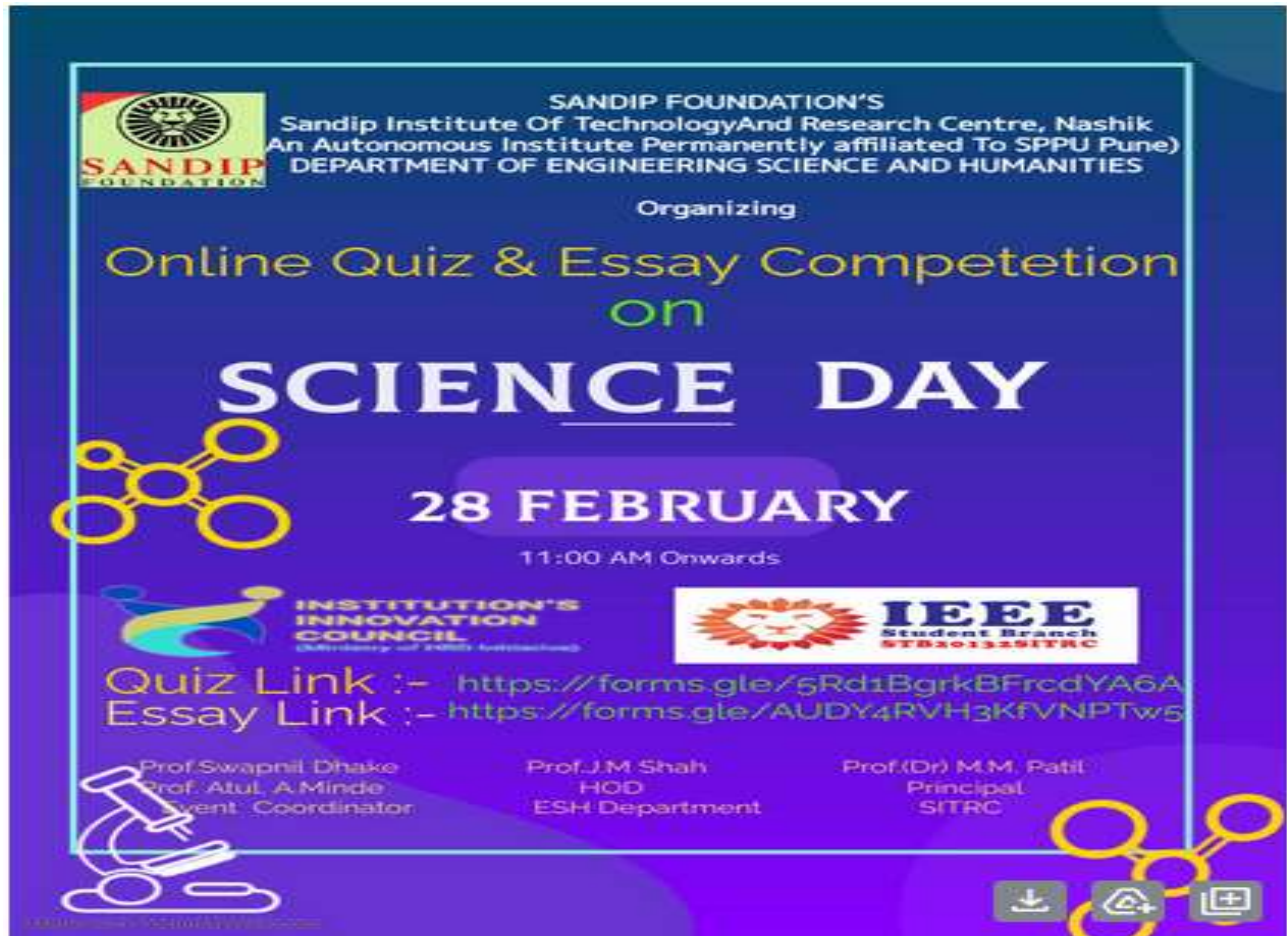

- **Increased Participation:** The online quiz attracted a significant number of participants, including students and faculty members from diverse backgrounds within the department. This increased participation demonstrated a widespread interest in science and a willingness to engage in intellectual activities.
- **Enhanced Knowledge:** Participants demonstrated their knowledge and understanding of scientific concepts through their responses to the quiz questions. The quiz provided an opportunity for participants to test their knowledge and learn new information, contributing to their overall understanding of various scientific disciplines.
- **Interdisciplinary Engagement:** The quiz covered a broad range of scientific topics, including physics, chemistry, biology, engineering, and humanities. This interdisciplinary approach encouraged participants to explore connections between different fields of study and appreciate the interdisciplinary nature of scientific inquiry.
- **Community Building:** The Science Day celebration and online quiz fostered a sense of community and collaboration within the department. Participants engaged in friendly competition, shared their insights, and interacted with one another, creating a supportive environment for learning and intellectual exchange.

Summary:

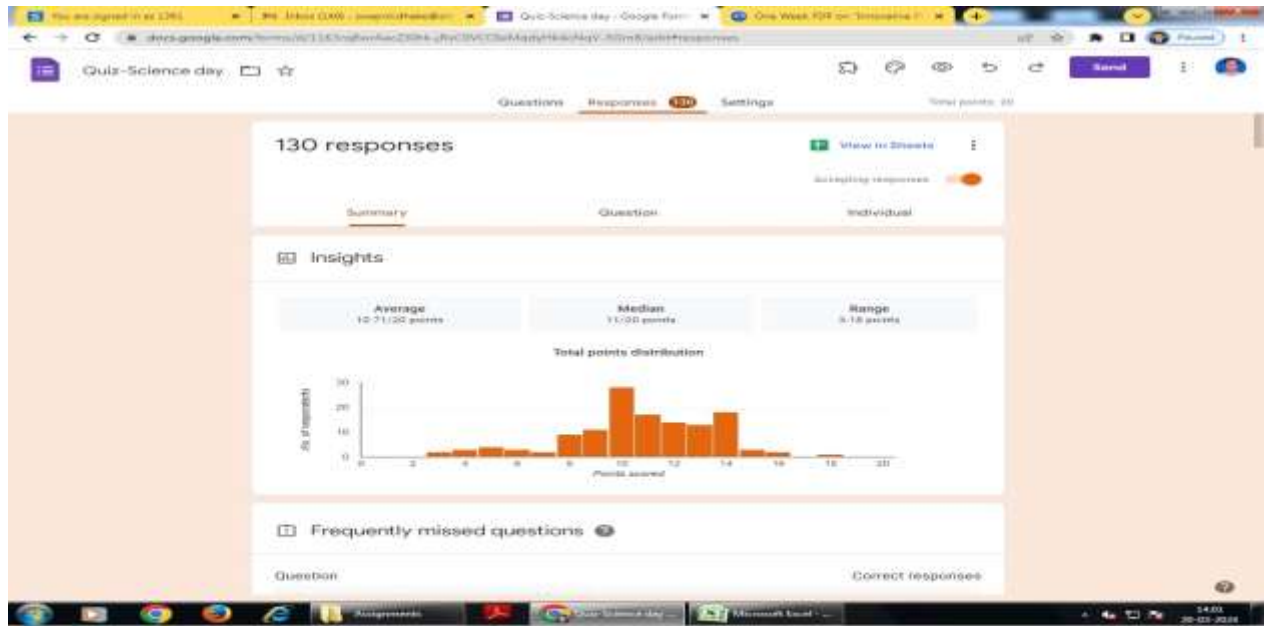

The Science Day celebration organized by the Department of Engineering Sciences and Humanities featured an online quiz as a central activity. The quiz aimed to commemorate Science Day and promote scientific awareness and engagement among students and faculty members. Through a diverse range of questions, participants had the opportunity to test their knowledge, learn new information, and engage in interdisciplinary dialogue.

The Science Day celebration and online quiz organized by the Department of Engineering Sciences and Humanities were successful in achieving their objectives. The event provided a platform for commemorating Science Day, promoting scientific awareness, and fostering community engagement within the department. Moving forward, such initiatives will continue to play a vital role in nurturing a culture of curiosity, learning, and collaboration within academic institutions.
