Organized By

Sandip Foundation's

Department of Engineering Sciences and Humanities

Sandip Institute of Technology and Research Centre, Nashik

Date: 16th September 2023

Title : Tree Plantation Activity

Aim :

The aim of the tree plantation activity was to create awareness among first-year students about the importance of environmental conservation and sustainable practices.

Objective:

1. To educate students about the role of trees in environmental conservation, carbon sequestration, and maintaining ecological balance.
2. To foster a sense of ownership and pride among students for contributing to a greener campus.
3. To promote a sense of community and collective responsibility among the students by involving them in a meaningful environmental activity.

Location : Sandip Foundation, Near Okra Canteen

Organised By: Sandip Foundation's,

Department of Engineering Sciences and Humanities

Sandip Institute of Technology and Research Centre, Nashik.

Participants : Staff and Students of First Year of Sandip Institute of Technology and Research Centre, Nashik.

Outcomes :

1. Students gained a deeper understanding of the vital role trees play in mitigating climate change, purifying the air, and supporting biodiversity. They now have a clearer grasp of the environmental challenges facing society.
2. The tree planting activity underscored the importance of sustainability in everyday life.

Snaps of Activity :

Tree Plantation in presences of Respected Dignitaries

Students from First Year Participated in Tree Plantation

Staff of SITRC with Students participated in Tree Plantation Activity
