**Aim: The program aimed to empower students with accurate information and foster a supportive environment within the campus community**

**Objective:**

1. Provided brochures, pamphlets, and informative posters on HIV/AIDS prevention, treatment, and support services.
2. Organized a panel discussion featuring healthcare professionals, counselors, and activists to address questions from students and provide additional perspectives on HIV/AIDS.
3. Collaborated with local healthcare organizations to set up a confidential HIV testing booth on campus, encouraging students to know their status.
4. Trained counsellors were available for post-test consultations.

**Organized By:** Sandip Foundation's,

Department of Engineering Sciences and Humanities Sandip Institute  
of Technology and Research Centre, Nashik.

**Participants:** Staff and Students of First Year Engineering of Sandip Institute of Technology and Research Centre, Nashik.

**No of Participant: 83**

**Introduction:**

The objective of the AIDS Awareness Program was to educate students about HIV/AIDS, promote awareness of prevention strategies, and reduce stigma associated with the virus. The AIDS Awareness Program serves as a platform to engage our students in open discussions, provide accurate information, and dispel myths surrounding HIV/AIDS. Through informative sessions, interactive workshops, and impactful activities, we aim to equip our students with the

Knowledge and tools to make informed decisions about their sexual health and contribute to the creation of a supportive and inclusive campus environment.

**Outcomes:**

1. Improved knowledge among students regarding the transmission, prevention, and treatment of HIV/AIDS.
2. Increased awareness of the importance of regular testing and open conversations about sexual health.
3. Active participation from students in workshops, discussions, and the HIV testing booth demonstrated a commitment to creating a healthier and more informed campus.

**Summary:**

The AIDS Awareness Program conducted was successful in achieving its objectives by imparting valuable knowledge, fostering open dialogue, and creating a supportive environment. The engagement and positive feedback received indicate the program's impact on reducing stigma and promoting a proactive approach to HIV/AIDS awareness. Continuous efforts and periodic awareness campaigns are recommended to maintain the momentum and ensure a lasting impact within the student community.
