Report of Event on “Green Energy Expo-2024”

- 1. Event Title:** Event on “Green Energy Expo-2024”
- 2. Event Date:** 5th September 2024
- 3. Event Conduction Duration:** 3 Hour
- 4. Event Venue:** Department of Mechanical Engineering, SITRC
- 5. Name of Event Coordinator:** Dr. Chandrmani Yadav & Dr. Yogesh Agrawal

6. Event Objectives & Outcomes

Objectives of Activity:

1. To explore the cutting-edge innovations through inventive projects
2. To interact with the key features in the industry through proto-type model.
3. To uncover fresh prospects within the green energy sector through the poster presentation.

Outcomes of Activity:

1. Students understood the significance of Green Energy Expo-2024.
2. Students are aware of inventive projects, prototype model and poster presentation.
3. Student enhance the knowledge of how to reduce greenhouse gases emission.

7. Event Details & Photos

The Skill Development Club of Mechanical Engineering Department organized the Event on “Green Energy Expo-2024” at Classroom. Students of different branch presented inventive projects, working prototype models and poster presentation on the theme of Green Energy dated 5th September 2024. The event primary goal was to help students about significance of Green Energy Expo- 2024 and boost local economies. This event was organized by Dr. Chandrmani Yadav, Assistant Professor and Dr. Yogesh Agrawal, Associate Professor, at the Mechanical Department. On the Occasion of Teacher’s Day, students prepared their unique inventive projects like prototype models and poster presentation. Students gathered to presented the potential of the Green energy and the wisdom of the application of renewable energy. Also explain the significance and own contribution in the field of Green Energy. Total 17 participants have been participated in this event. All the winner are awarded by Professor (Dr.) S.G. Ghalme, Head of the Mechanical Department.
