Activity Report

of

Expert Talk on

Training and Placement

A.Y. 2024-25

SANDIP
FOUNDATION

(An autonomous institute permanently affiliated to Savitribai Phule Pune University, Pune)

Organized by,

Sandip Foundation's

Sandip Institute of Technology and Research Centre, Nashik (MS)

Department of Engineering Sciences and Humanities

DTE Code: 5109

Date: 14th Sept. 2024

Name of Event: Expert talk on “Training and Placement”

Event Coordinator: Asst. Prof. Kaveri D. Jadhav

Participants: F. Y. B. Tech Students (ESH Department)

No. of Participants: 329

Aim:

The primary aim of the expert talk was to equip first-year B. Tech students with essential knowledge and skills regarding training and placement processes. The session focused on helping students understand the significance of internships and placements in shaping their careers.

Objective:

- To familiarize students with the training and placement process, including timelines, expectations, and common practices in the industry.
- To highlight the key skills and competencies required for successful placements, including resume building, interview preparation, and networking.
- To provide insights into current industry trends, employer expectations, and the importance of practical experience through internships.
- To encourage interaction and clarify doubts by allowing students to engage directly with industry experts.

Outcomes:

- Students gained a clearer understanding of the training and placement process, including key timelines and expectations.
- Participants learned effective strategies for resume building and interview preparation, with actionable tips provided by speakers.
- Students received valuable information about current job market trends and the skills in demand, helping them align their studies with industry needs.
- The interactive Q&A session fostered student engagement, allowing them to address specific concerns and gain personalized advice.

Summary of Program:

The Expert talk on “Training and Placement” was conducted for First Year B. Tech students on 14th September 2024 by Prof. Pankaj Shirsath, Institute TPO, Sandip Institute of Technology & Research Centre, Nashik. The session began with an introduction and felicitation of guest speaker. During the session speaker has highlighted many important facets of Training and Placement. He discussed the importance of internships and hands-on experience in enhancing employability. Shared tips on effective resume writing and how to make a strong first impression during interviews. Provided insights into current trends in the job market and what employers are looking for in candidates. Following the presentations, students had the opportunity to ask questions. Topics ranged from effective networking strategies to how to choose the right internships. Students enjoyed the session and got inspired for entrepreneurship. Participants expressed appreciation for the practical insights shared by the speakers and the interactive format of the session. Many students highlighted the importance of understanding the placement process early in their academic journey. The expert talk on training and placement was a resounding success, effectively meeting its aims and objectives. The insights gained will undoubtedly benefit the first-year B. Tech students as they navigate their academic and professional journeys. The session concluded with vote of thanks by Prof. Kaveri Jadhav.
