**Organized by,**

**Sandip Foundation's**

Department of Engineering Sciences and Humanities Sandip Institute  
of Technology and Research Centre, Nashik (MS)

DTE Code: 5109

**Date: 20<sup>th</sup> September 2024**

**Name of Event :** Expert talk on "Mastering Your Persona: A Seminar on Personality Development".

**Event Coordinator:** Dr. Vikas Kumar

**Participants:** F.Y.B.Tech students (ESH Department)

**No. of Participants: 149**

**Aim:**

This seminar included activities on gestures, body language, goal setting, and time management. The seminar also covered topics such as professional communication, grooming, and ethics.

**Objective:**

- To aware students about self-Awareness: It's about knowing your emotions and strengths..
- Set realistic goals: Create aims that match your dreams and what you stand for. Then, split them into smaller, doable tasks and cheer when you make progress. This is a great way to improve how you view yourself.
- To surround yourself with positivity: Stay close to people who lift you up and support you. They should believe in your potential and help you move forward. Avoid those who bring you down or stop you from believing in yourself.
- To raise awareness lifelong learning: Learning never ends and is crucial for growth. It boosts confidence, adaptability, and leads to new chances often.

**Outcomes**

- **Self-Awareness:** It's about knowing your emotions and strengths. Recognizing these helps in making better choices and dealing with tough times.
- **Emotional Intelligence:** This is knowing and handling your emotions well. It means better relationships and more understanding.
- **Resilience:** Being resilient means you can bounce back from hard times. It helps you face tough challenges and learn from them.
- **Adaptability:** It's about being open to new situations. This helps you learn and grow, seeing the world in new ways.
- **Integrity:** Doing the right thing, even when no one is looking, is integrity. It makes others trust you and value your partnership.
- **Empathy:** Empathy is understanding and sharing others' feelings. This makes for better connections and a caring environment.

- **Positive Mindset:** Staying positive helps you face life with strength. It lets you see the good and solutions in tough times.
- **Effective Communication:** Good communication is key for success in work and life. It helps in expressing yourself and understanding others better. **Leadership Skills:** Leadership is about guiding others and making things better. It means taking charge, making good calls, and inspiring change. **Lifelong Learning:** Learning never ends and is crucial for growth. It boosts confidence, adaptability, and leads to new chances often.

### **Summary of Program:**

Social Skills Development, for better communication and relationships. Self-Confidence Building, to feel more sure of oneself and reduce doubt. Emotional Intelligence Training, for managing emotions and understanding others better. Exploring these methods helps students find areas to improve and grow personally. And this is a lifelong journey of self-improvement. It involves reflection, learning, and a will to change. This journey uncovers our potential and makes an impact in our lives
