Activity Report

On

Tree Plantation

(20th July 2023)

Organized by

Department of Information Technology

Sandip Institute of Technology and Research Centre, Nashik

Name of Program: Tree Plantation - 2023.

Date: 20th July 2023.

Event Coordinator: Dr. A.S. Rumale

Participants: Faculties & Students

Venue: Sandip Foundation Campus.

Aim:

Planting trees in Campus not only beautifies the campus but also provides a conducive learning environment. The presence of trees promotes fresh air circulation and helps combat air pollution, ultimately leading to improved concentration and academic performance among students.

Objective:

The purpose of tree plantation is to save the endangered environment and to beautify our life. Trees are valuable gifts of nature.

Summary Report of Tree Plantation Drive

Tree Plantation drives are an excellent way to show appreciation and support to Nature. Program inaugurated by our Head of the Department with faculty then student also involve in this tree plantation program enthusiastically. Encouraging students of I.T. department such an activity was organized by Faculty. Students from the department participated in the activity with enthusiasm. Trees act as natural filters, absorbing harmful gases and releasing oxygen by planting trees in College. We create cleaner and healthier air for students and staff, reducing respiratory problems and creating a more conducive learning environment.
