Report

Name of Event: Seminar on Drafting Patent

Date of Event: 25th Feb 2023

Type of the Event: Seminar

Duration of Event: 2 hours

Mode of Event: Offline

Name of resource person: Dr. N.S. Patil, HOD Electrical Department, SITRC, Nashik.

Name and Address of Company: SITRC, Nashik

Name of Event Coordinator: Prof. G G Akotkar

Participant: BE Electrical Students

Aim:

To provide for cooperation in information and documentation from and for patents and to exchange knowledge and experience

Objective:

1. To provide protection of creativity of creators
2. To promote the creativity of creators.
3. To accelerate the technological and industrial development of the countries.
4. To provide the exclusive right to invention and affords protection against unauthorized use of invention by third parties.
5. Understand the meaning of specifications.

Outcomes:

Participants learned how to convert project into product. A webinar on drafting patents can have wide-reaching outcomes, benefiting both individual participants and the organizations they represent. It can lead to improved patent drafting skills, increased knowledge of patent laws, better protection for innovations, cost savings, and enhanced career opportunities, ultimately
