on

“Idea and Pitch competition on The Occassion of Engineers day 2k24“

### **Organized by**

Sandip Foundation's

Sandip Institute of Technology and Research Centre, Nashik

And Department of

Electronics & Telecommunication Engineering Department

In

Association With

With IEEE student Branch, Engineers Without border (EWB)

Womens in Engineering(WIE)

## **Department of Electronics and Telecommunication Engineering**

**Name of Event:** " Idea and Pitch competition on the occasion of Engineers day 2k24"

**Date of Event:** 11<sup>th</sup> to 16<sup>th</sup> July 2024

**Type of the Event:** Competition

**Name of Event Coordinator:** Dr. Minal Gade

**Link for registration:** <https://forms.gle/VFeVJLWh8N4WYM3s9>

**Objective:** The main objective of this event is to Encourage participants to develop innovative solutions to real-world problems, with a focus on sustainability and technological advancement and Inspire and support young minds by offering mentorship and resources to refine their ideas and prepare them for real-world implementation.

**Highlights from the event:** The event is organized by Sandip Foundation's Sandip Institute of Technology and Research Centers, Department of Electronics & Telecommunication, IEEE students branch, Engineers without Borders (EWB), and Women in Engineering (WIE). The event started with worshipping Goddess Sarswati. **After that**, our esteemed HoD madam, Dr. Gayatri Phade. She said that these contests are crucial from a career perspective because they give new applicants a forum to voice their ideas and opinions. Because it provides the following advantages:

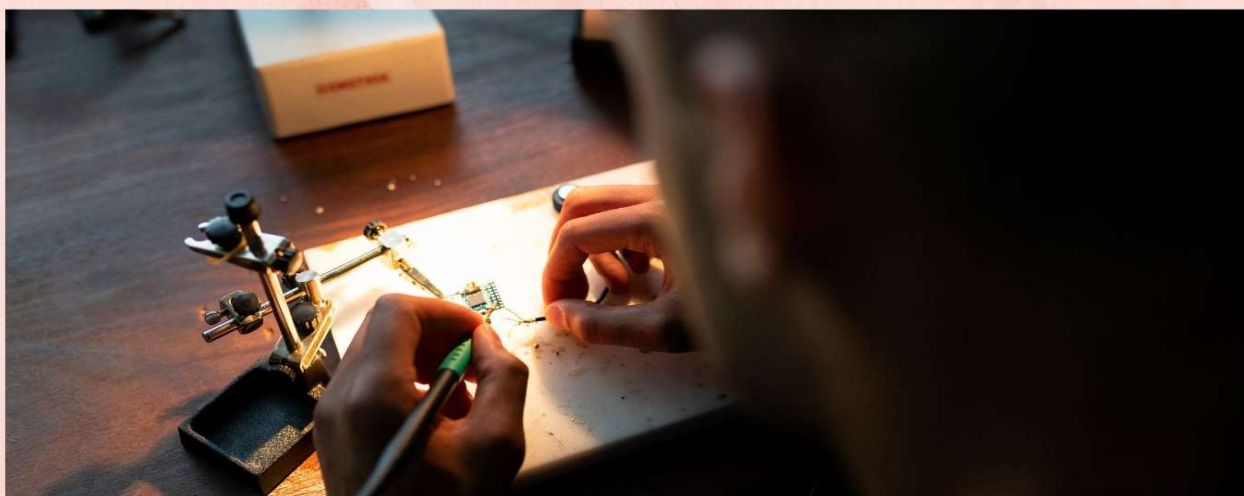

- **Foster Innovation and Creativity:**  
Encourage participants to develop innovative solutions to real-world problems, with a focus on sustainability and technological advancement.
- **Promote Engineering Excellence:**  
Celebrate the contributions of engineers by providing a platform to showcase cutting-edge ideas and practical solutions.
- **Encourage Collaboration and Networking:**  
Facilitate interactions between young engineers, industry professionals, and academic experts to promote knowledge sharing and collaboration.
- **Raise Awareness on Sustainability:**  
Highlight the importance of engineering in achieving the United Nations' Sustainable Development Goals (SDGs) and addressing global challenges.
- **Create Opportunities:**  
Provide a stage for participants to pitch their ideas to industry leaders, potentially opening doors to funding, partnerships, or further development opportunities.
