NOTICE

All students of the F.Y.B.Tech are hereby informed that the department of Engineering Sciences and Humanities has organized the Field visit to Pandavleni and Botanical Garden Nashik On 19th September 2024

The aims of this field visit to enhance students' awareness of the importance of nature conservation

It is compulsory for all students to attend the Seminar.

Prof. S.B. Bhamare
Event Coordinator

Prof. J.M. Shah
Head of Dept

Date : : 19th Sept. 2024

Name of Event : Field visit to Pandavleni and Botanical Garden Nashik

Event Coordinator: Assistant Prof. S.B.Bhamare

Participants : F. Y. B. Tech students (ESH Department)

No. of Participants : 466

Aim :

To enhance students' awareness of the importance of nature conservation and cultural heritage through experiential learning at Pandavleni and the Botanical Garden.

Objective :

- To educate students about the ecological and cultural significance of Pandavleni and the Botanical Garden.
- To instill a sense of responsibility for conserving nature and biodiversity.
- To provide insights into sustainable practices through real-world exposure.
- To encourage students to appreciate the interconnectedness of natural ecosystems and human life.

Outcomes

- Students developed a deeper understanding of the importance of preserving natural and cultural heritage.
- They learned practical methods for contributing to environmental sustainability.
- The visit inspired a proactive attitude towards nature conservation among participants.
- Students shared positive feedback on the experiential learning opportunity, highlighting its relevance to their engineering studies

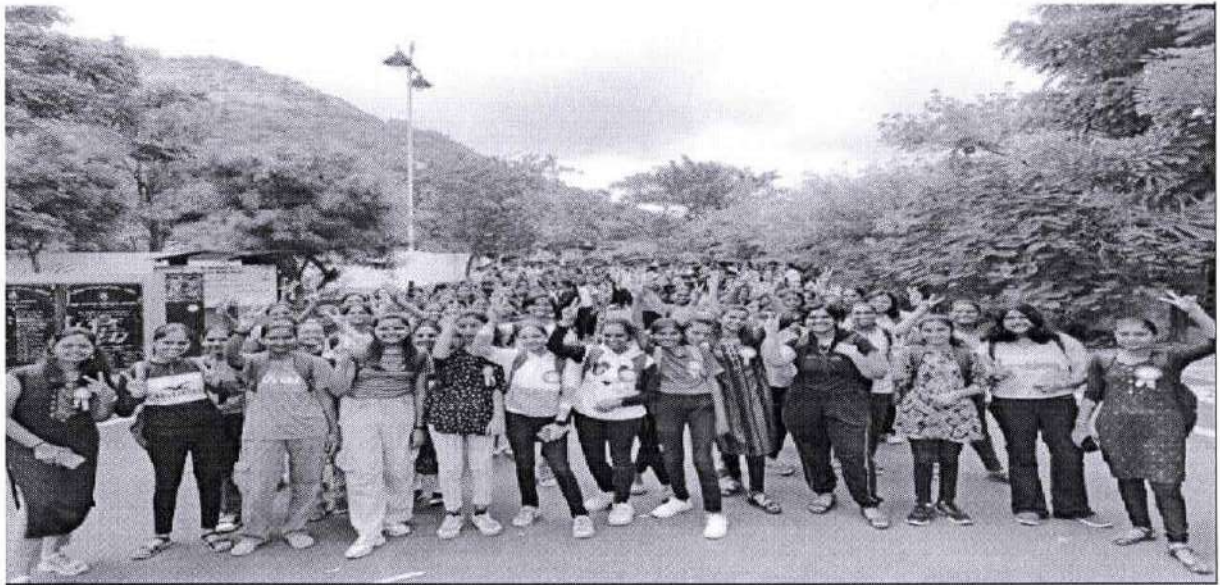

Summary of Field Visit:

As part of the induction program, a field visit to Pandavleni and the Botanical Garden in Nashik was organized for F. Y. B. Tech students. The visit provided an enriching experience by combining cultural and ecological learning.

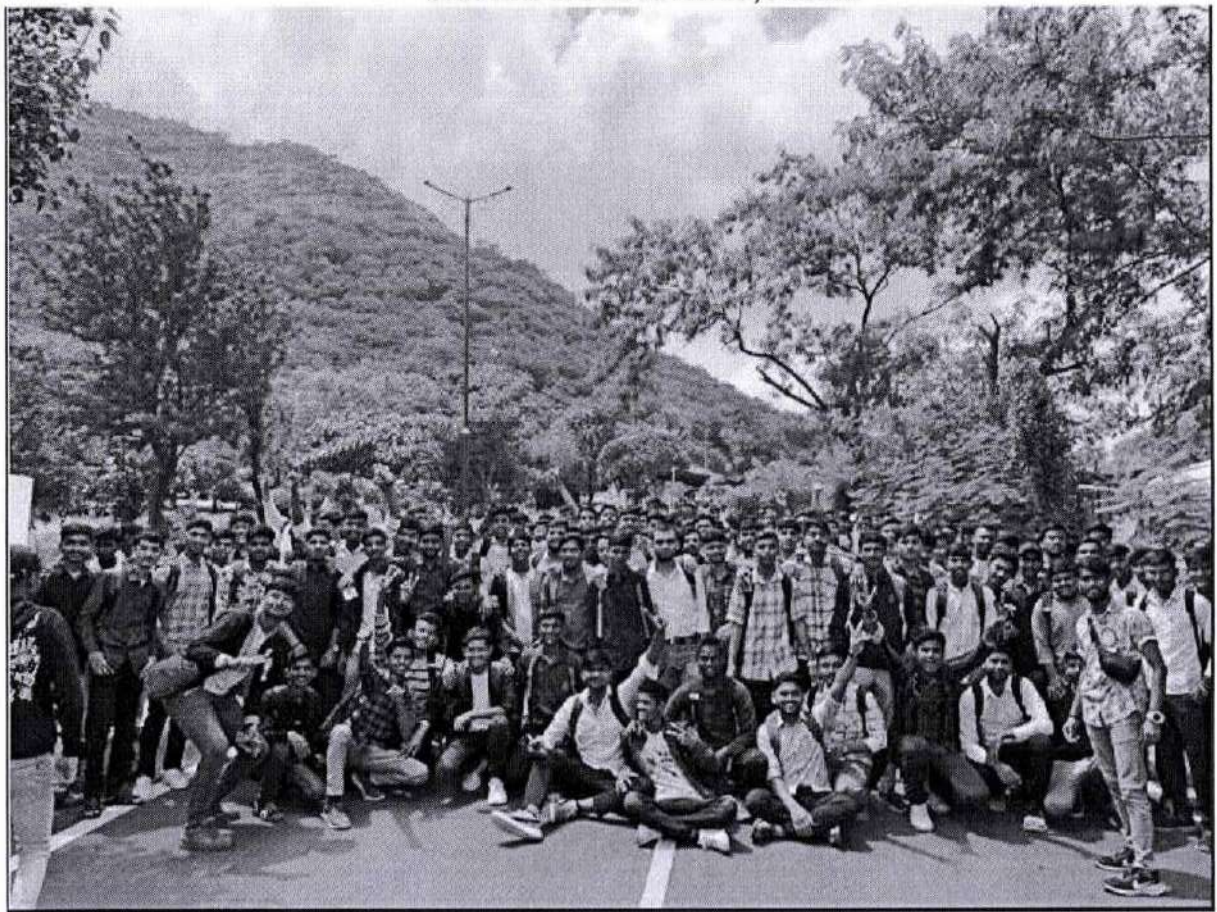

At Pandavleni, students explored the historical caves, learning about ancient craftsmanship and the significance of preserving cultural landmarks. The Botanical Garden offered insights into biodiversity, showcasing a wide range of plant species and their ecological roles.

The interactive sessions during the visit emphasized the importance of nature conservation, sustainable practices, and the role of individuals in protecting the environment. The visit successfully aligned with the induction program's goal of fostering holistic development and awareness among engineering students.
