of Technology and Research Centre, Nashik (MS)

DTE Code: 5109

Date : : 13th Sept. 2024

Name of Event : Awareness of NPTEL Programme and Swayam Online Courses

Resource Person: Dr. Ramgopal Sahu

Event Coordinator: Assistant Prof. V.B.Patil

Participants : F.Y.B.Tech students (ESH Department)

No. of Participants :85

Aim :

The aim of the Awareness of NPTEL Programme and Swayam Online Courses is to create awareness and enhance understanding of the NPTEL (National Programme on Technology Enhanced Learning) and SWAYAM online courses among students

Objective :

- Explore potential collaborations with educational institutions and organizations to foster a wider reach and participation in NPTEL and SWAYAM courses.
- Provide informational materials, brochures, and guides that outline the steps to access and utilize NPTEL and SWAYAM resources effectively.

Activities Conducted

- **Inaugural Session:** The event commenced with a welcome address and an overview of the agenda.
- **Presentation on NPTEL:** A comprehensive presentation on the NPTEL platform was delivered, covering its objectives, available courses, and the enrolment process.
- **Workshop on SWAYAM:** An interactive workshop demonstrated how to navigate the SWAYAM portal, highlighting specific courses and user experiences.
- **Q&A Segment:** After each session, a question-and-answer segment allowed participants to clarify their doubts and obtain further information.

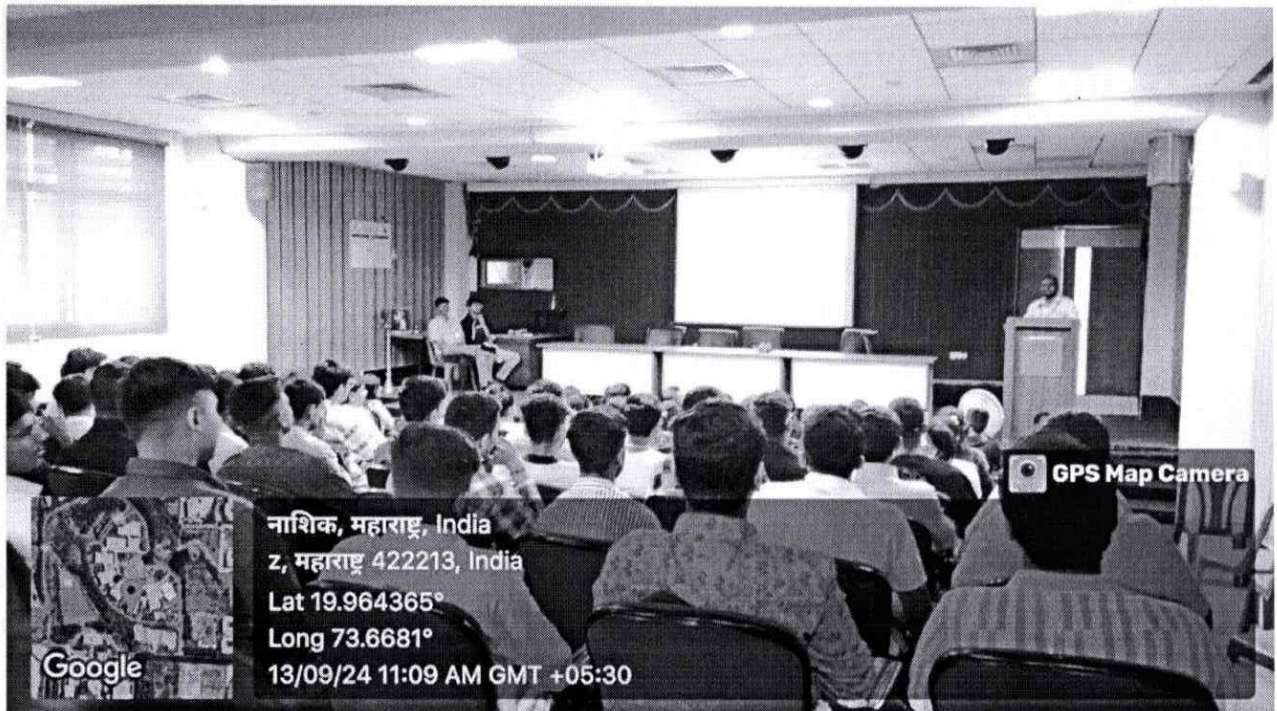

Outcomes

- **Increased Awareness:** Participants reported a significant increase in their understanding of NPTEL and SWAYAM courses, with many expressing interest in enrolling in specific programs.
- **Resource Utilization:** The distribution of informational materials was well received, with many participants mentioning they would refer back to these resources.

Summary of Program:

The "Awareness of NPTEL Programme and SWAYAM Online Courses" event was a success in achieving its goals of increasing knowledge and encouraging enrollment in online courses. Participants left with a better understanding of how to access and make the most of these platforms. The positive engagement and feedback received suggest that future events of this nature would be beneficial in further promoting quality online education.
