**Resource Person –** Mr. Arpit Ninawe, Elite Minds

**Participants :** F.Y.B.Tech students (ESH Department)

**No. of Participants : 266**

**Aim :**

To enhance students' communication skills by providing practical tips and techniques for effective interaction in professional and academic settings.

**Objective :**

- To highlight the importance of communication skills in personal and professional life.
- To introduce effective methods to improve English communication.
- To provide students with key techniques for excelling in interviews.
- To share tricks for remembering answers and building confidence in communication.

**Outcomes**

- Students gained an understanding of the importance of strong communication skills in their academic and career development.
- Participants learned practical methods to improve their English communication abilities.
- The session equipped students with valuable techniques for interview preparation and performance.
- Students were motivated to apply the shared tricks and strategies to enhance their overall communication

**Summary of Program:**

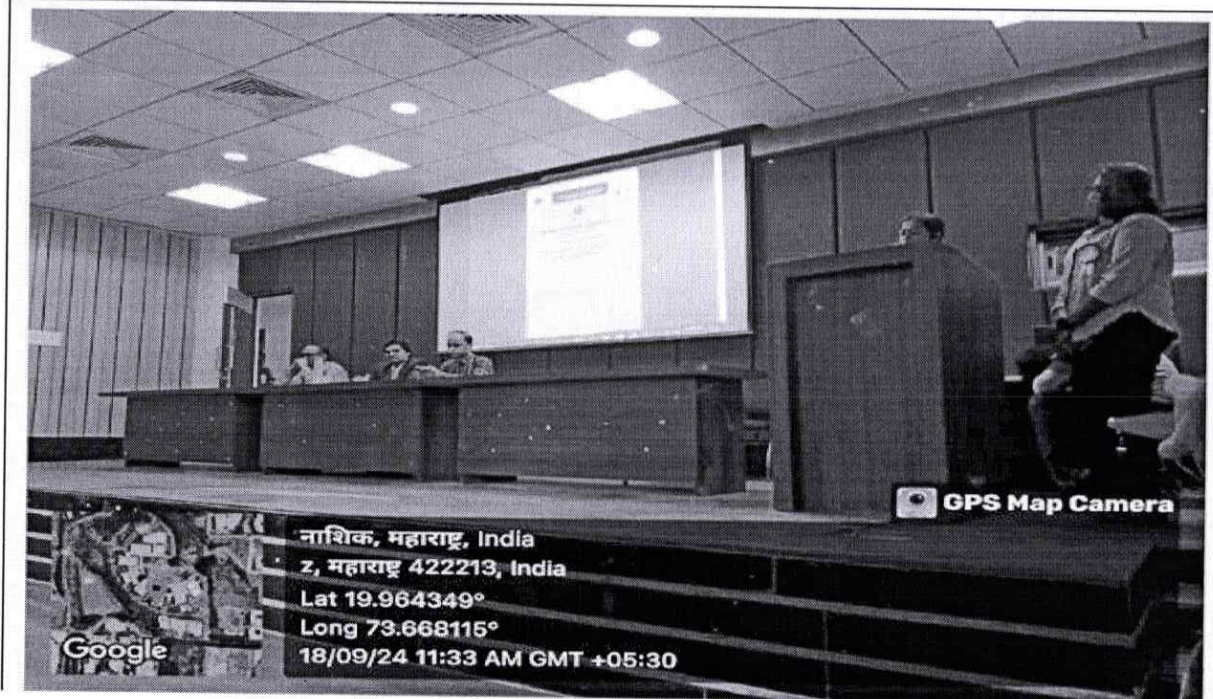

The expert talk on Boosting Communication Skills: A Practical Session by Mr. Arpit Ninawe offered an insightful and practical approach to mastering communication. Mr. Ninawe emphasized the importance of communication as a cornerstone of success in both personal and professional realms.

He introduced effective ways to improve English communication, including regular practice, expanding vocabulary, and focusing on clarity. The session also covered key aspects of good communication, such as active listening, non-verbal cues, and confidence.

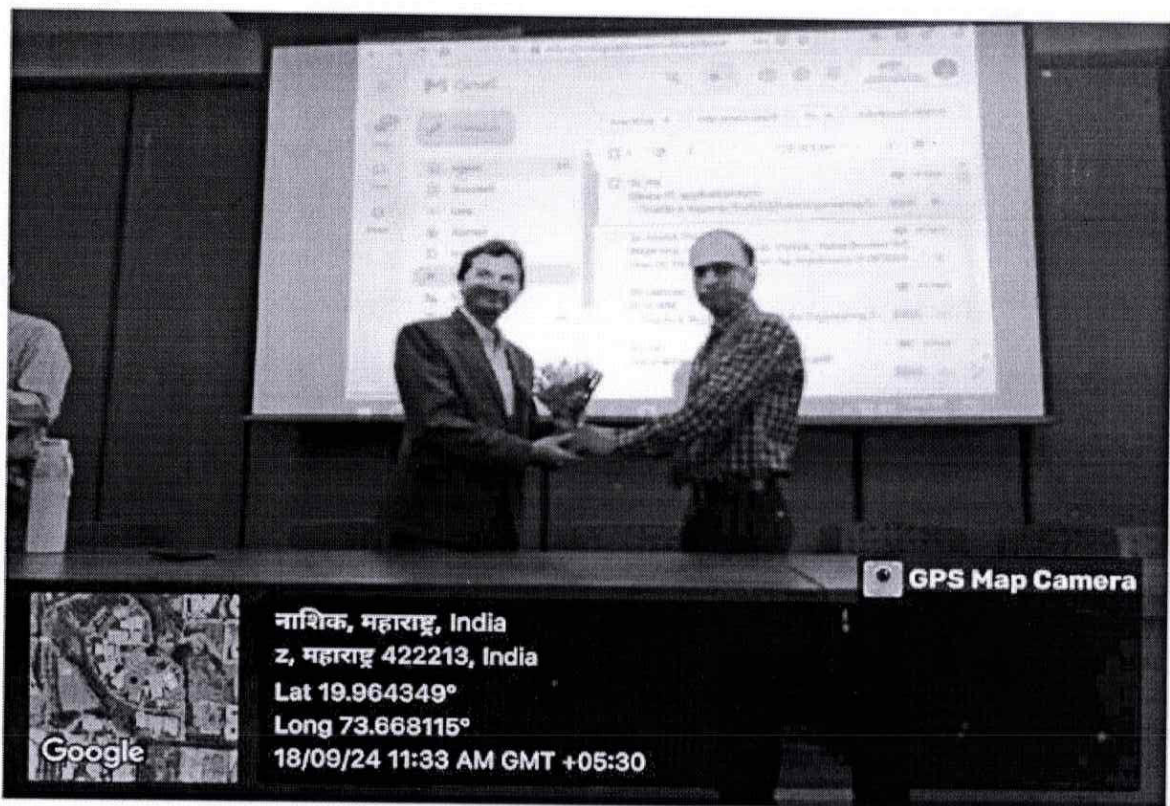

Additionally, Mr. Ninawe provided useful interview techniques, such as structuring responses, handling tricky questions, and maintaining composure under pressure. He also shared tricks for remembering answers, which students found particularly engaging.

The interactive session concluded with students expressing their enthusiasm for applying the skills and techniques shared, making it a highly impactful and beneficial event.
