of Technology and Research Centre, Nashik (MS)

DTE Code: 5109

**Date : : 13<sup>th</sup> Sept. 2024**

**Name of Event :** Expert talk on " Career Opportunities after Engineering "

**Event Coordinator:** Assistant Prof. Supriyatai K. Ahire

**Participants :** F.Y.B.Tech students (ESH Department)

**No. of Participants : 152**

**Aim :**

To provide students with insights into various career paths available after completing an engineering degree and guide them in making informed decisions about their future.

**Objective :**

- To introduce students to diverse career opportunities post-engineering.
- To explain the criteria for selecting a suitable career path based on individual interests and goals.
- To encourage students to evaluate their strengths and align them with potential career options.
- To address students' queries about career planning and progression

**Outcomes**

- Students gained a broader perspective on career options after engineering, including higher studies, entrepreneurship, and industry roles.
- Participants understood the factors to consider when choosing a career path, such as personal interests, market trends, and skill requirements.
- The interactive session helped students clarify doubts and plan their future careers with confidence.

**Summary of Program:**

The session on Career Opportunities after Engineering by Dr. Nandkishor Sawai was highly engaging and informative. Dr. Sawai interacted attentively with the students, discussing various career options available after an engineering degree, such as pursuing higher education, exploring entrepreneurship, or joining the industry.

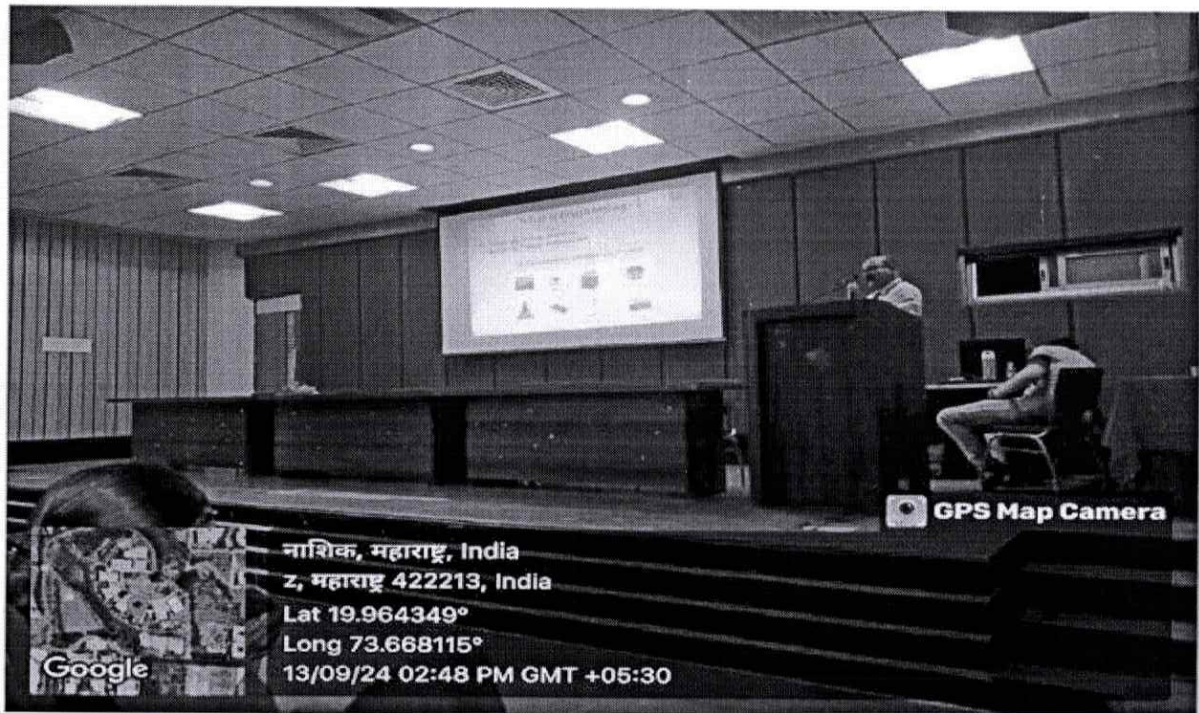

He emphasized the importance of evaluating personal interests, skillsets, and market demands when selecting a career path. Dr. Sawai also highlighted strategies to stay competitive in the job market and adapt to changing industry trends.

The session concluded with an interactive Q&A, where students actively participated and expressed their enthusiasm for exploring different career opportunities. The event was well-received and left students motivated and better prepared to shape their professional journeys.
